**DEBTORS' REPLY IN FURTHER SUPPORT OF DEBTORS' MOTION,
PURSUANT TO SECTION 105(a) AND 363 OF THE BANKRUPTCY CODE
AND RULE 6004(h) OF THE BANKRUPTCY RULES, FOR AUTHORIZATION TO
ENTER INTO CERTAIN ASSET MANAGEMENT AND RELATED AGREEMENTS**

TO THE HONORABLE JAMES M. PECK
UNITED STATES BANKRUPTCY JUDGE:

Lehman Brothers Holdings Inc. and its affiliated debtors in the above-referenced chapter 11 cases, as debtors in possession (together, the "Debtors"), as and for their reply to the objections interposed to the Debtors' motion , dated March 15, 2010 [Docket No. 7579] (the "Motion"),¹ for authorization to enter into certain asset management and related agreements, and in further support of the Motion, respectfully represent:

¹ Capitalized terms used but not defined herein shall have the meanings ascribed to them in the Motion.

Debtors' Reply

1. The Debtors have established in the Motion and supporting declaration of Bryan P. Marsal filed in connection therewith good business reasons to authorize the LAMCO transaction, including retention of employees, reduction of costs of managing the Debtors' assets, and recovery of investments made in asset management teams and infrastructure. After the Motion was filed, the Debtors engaged with parties in interest to answer questions and resolve concerns regarding the Motion. As a result of these efforts, the Debtors have agreed to certain modifications of the LAMCO Agreements and the proposed order. Comparisons reflecting the proposed changes to the LAMCO Agreements and proposed order are attached hereto as Exhibits A through E. Specifically,

- a. to provide additional transparency, the Debtors have agreed to amend the proposed order and the LAMCO Agreements to require that all material modifications, amendments or supplements to the LAMCO Agreements and related agreements, as opposed to only those with a material adverse affect on the Debtors, be approved by, among others, the Creditors' Committee and the Court;
- b. to enhance the governance right granted to the Creditors' Committee (on behalf of creditors of all of the Debtors) that an independent person be appointed to the Board of Managers of LAMCO Holdings, the Debtors have agreed to amend the LLC Agreement to provide that the Creditors' Committee, rather than the Creditors' Committee and LBHI together, shall be entitled to select such independent person; LBHI shall have the right to consent to the Creditors' Committee's appointment, but such consent shall not be unreasonably withheld; and
- c. to protect the rights of creditors of all of the Debtors, the Debtors have agreed to amend the proposed order to provide that:
 - i. notwithstanding the fact that LBHI initially shall, directly or indirectly, hold 100% of the equity interests in LAMCO, the ownership of such equity interests shall be subject to allocation among the Debtors pursuant to a chapter 11 plan in these chapter 11 cases; provided, however, that nothing in the order shall require a specific amount of such equity to be allocated to any particular Debtor;

- ii. it shall not prejudice the rights of any party in interest in respect of confirmation of any chapter 11 plan in these chapter 11 cases; and
- iii. if the Court finds and determines in connection with the order that (x) the relief sought in the Motion is in the best interests of the Debtors, their estates and creditors, and all parties in interest and (y) the legal and factual bases set forth in the Motion establish just cause for the relief granted therein, such findings shall not preclude or prejudice the rights of any party in interest from seeking or objecting to any request for relief from the Court relating to LAMCO.

The foregoing modifications obviated the need for certain of the Debtors' creditors to file objections to the Motion. The modifications also have resolved the issues raised in the only timely objections to the Motion filed by (i) a number of purported derivatives-related creditors of Lehman Brothers Special Financing Inc. [Docket No. 8029], and (ii) certain of the Debtors' foreign affiliates in the United Kingdom by and through their joint administrators [Docket No. 8043].

WHEREFORE the Debtors respectfully request that the Court overrule any remaining objections and grant the relief requested in the Motion and such other and further relief as it deems just and proper.

Without limiting the generality of the foregoing, the LBHI Assets shall include the following:

(e) Subject to Section 3.04 and 3.05, but notwithstanding anything else in this Agreement to the contrary, this Agreement shall not constitute an agreement to assign (i) any claim, contract, license, lease, commitment or any claim or right or any benefit arising thereunder or resulting therefrom with respect to any business or Asset as to which consent to assignment or conveyance thereof is required but has not been obtained as of the Closing Date, nor (ii) any claim, contract, license, lease, commitment

Section 2.02. Assumption of Liabilities and Indemnification. (a) At the Closing, effective upon consummation of the contribution described in Section 2.01(a), LAMCO Holdings shall assume 99% of LBHI's right, title and interest in and to the Asset Management Liabilities (defined below) and LBHI SPV shall assume 1% of LBHI's right, title and interest in and to the Liabilities of LBHI as set forth in clauses (i) through (vi) below (collectively, the **"Domestic Asset Management Liabilities"**) and clauses (vii) and (viii) below (collectively the **"International Asset Management Liabilities"**, and together with the Domestic Asset Management Liabilities, the **"Asset Management Liabilities"**):

(d) Anything in this Agreement to the contrary notwithstanding, LBHI shall retain all right, title and interest of LBHI in and to all of its Liabilities other than the Asset Management Liabilities (collectively and excluding the Asset Management Liabilities, the "**LBHI Liabilities**"). Without limiting the generality of the foregoing, the LBHI Liabilities shall include the following:

(i) all Liabilities which arise, accrue or are incurred before, on or after the Closing Date relating to or based upon the past, present or future business or operation of the LBHI Assets or the LBHI Business as heretofore, currently or hereafter conducted, including those related to any contract, agreement, lease, license or other instrument included within the LBHI Assets;

(ii) except as reflected for in the LAMCO Balance Sheet, all Liabilities which arise, accrue or are incurred before, on or after the Closing Date relating to or based upon the past management or operation of the Domestic Asset Management Assets as conducted prior to the Closing Date, including those related to (A) any contract, agreement, lease, license or other instrument included within the Domestic Asset Management Assets and (B) any other activity undertaken by LAMCO, LBHI SPV or LAMCO Holdings before the Closing Date;

(iii) all Liabilities arising out of or related to any Actions based upon events or conditions occurring before or on the Closing Date, including those related to the transactions contemplated by this Agreement;

(e) After the Closing, in accordance with Section 2.03, LAMCO Holdings, LAMCO International and LAMCO shall jointly and severally defend and indemnify LBHI, LBHI SPV, each of their Affiliates and each of their respective officers, directors employees, partners, members, agents and advisors in respect of, and hold each of them harmless from and against, any and all Losses suffered, incurred or sustained by any of them or to which any of them becomes subject, resulting from, arising out of or relating to (i) any breach of representation or warranty or nonfulfillment of or failure to perform any covenant or agreement on the part of LAMCO Holdings, LAMCO International or LAMCO contained in this Agreement or (ii) an Asset Management Liability.

(f) After the Closing, in accordance with Section 2.03, LBHI shall defend and indemnify LAMCO, LAMCO International, LAMCO Holdings, each of their Affiliates and each of their respective officers, directors employees, partners, members, agents and advisors in respect of, and hold each of them harmless from and against, any and all Losses suffered, incurred or sustained by any of them or to which any of them becomes subject, resulting from, arising out of or relating to (i) any breach of representation or warranty or nonfulfillment of or failure to perform any covenant or agreement on the part of LBHI contained in this Agreement or (ii) an LBHI Liability.

(g) Each of (i) LBHI for itself and on behalf of the LBHI Subsidiaries and (ii) LAMCO Holdings for itself and on behalf of its Subsidiaries hereby releases and forever holds harmless each other and its respective Subsidiaries from any liability, obligation or responsibility for any and all past actions or failures to take action, including any actions which may be deemed to have been negligent or grossly negligent, relating to or arising out of the operation or conduct of any businesses, assets or operations managed or operated by, or operationally related to, directly or indirectly, LBHI prior to the Closing (including the Asset Management Business or the Asset Management Assets), except for any liability, obligation or responsibility (1) of any party under this Agreement and the Ancillary Agreements or (2) of any party for any fraudulent act or willful and intentional misconduct.

Section 2.03. Indemnification Procedures.

(a) With respect to all Actions as to which any Person is entitled to be indemnified pursuant to this Agreement (each, an “**Indemnatee**”) pursuant to Section 2.02, to the extent applicable, the indemnifying party (the “**Indemnifying Party**”) will use its reasonable best efforts at its own cost to have itself substituted in the place of such Indemnatee and to have such Indemnatee removed as a party to such Actions as promptly as is reasonably practicable. Notwithstanding the foregoing, pending such substitution, and in cases where such substitution cannot be effected, such Indemnifying Party, after the Closing Date, will have the right to assume and direct the defense, prosecution or settlement of the Actions involved in accordance with the provisions of paragraph (c) hereof.

(b) Upon receipt by any Indemnatee of any demand for payment to a third party with respect to any Loss (i) which is not related to an Action and (ii) for which such Indemnatee is entitled to be indemnified pursuant to the provisions of Section 2.02 hereof, such Indemnatee shall promptly forward such demand to such Indemnifying Party with a request that such Indemnifying Party make such payment directly as provided in such demand and, if such Indemnifying Party fails to object within 30 days of receipt of such notice, such Indemnifying Party shall be deemed to have accepted liability for such demand. If such Indemnifying Party does so respond within 30 days and rejects such claim, in whole or in part, such Indemnatee shall be free to pursue such remedies as may be available to such party under this Agreement and applicable law. Such Indemnifying Party shall pay directly any amounts payable hereunder with respect thereto, provided, however, that if it is impracticable or impermissible for such Indemnifying Party to make such payment, such Indemnatee may proceed to make such payment directly and such Indemnifying Party promptly will reimburse such Indemnatee for such amount.

(c) Any party seeking indemnification under this Section shall give prompt written notice to the Indemnifying Party of the commencement of any Action for which indemnification may be sought; provided, however, that the failure of any party to give notice as provided in this paragraph (c) shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent that such Indemnifying Party is actually materially prejudiced by such failure to give notice. The Indemnifying Party shall be entitled to assume the defense of any such Action; provided, however, that any such Indemnatee shall be entitled to participate in any such Action with counsel of its own choice but at its own expense, and provided, further, however, that such Indemnatee shall have the right to employ separate counsel to represent such Indemnatee if, in such Indemnatee’s reasonable judgment, a conflict of interest between such Indemnatee and such Indemnifying Party exists with respect to such Action (the costs of such counsel to be borne by the Indemnifying Party). If such Indemnifying Party fails to assume the defense within a reasonable time, the Indemnatee may assume such defense upon notice to the Indemnifying Party and the reasonable fees and expenses of its attorneys will be covered by the indemnification provisions of Section 2.02. Any such Action may be compromised or settled in any manner by an Indemnifying Party without the consent of the Indemnatee, provided, however, that no such Action shall be compromised or settled in any manner which might adversely affect the interests of the Indemnatee without the prior written consent of such Indemnatee (which shall not be unreasonably withheld). Notwithstanding anything in this paragraph (c) to the contrary and without limiting the

generality of the foregoing, the Indemnifying Party shall not, without the prior written consent of the Indemnatee, (i) settle or compromise any Action or consent to the entry of any judgment which does not include as an unconditional term thereof the delivery by the claimant or plaintiff to the Indemnatee of a written release from all liability in respect of such Action or (ii) settle or compromise any Action in any manner that may materially and adversely affect the Indemnatee other than as a result of money damages or other money payments that are fully indemnified hereunder. No Action which has been assumed by the Indemnifying Party within a reasonable period of time in accordance with the terms of this Agreement shall be settled by the Indemnatee without the prior written consent of the Indemnifying Party.

(d) The amount which an Indemnifying Party is required to pay to any Indemnatee pursuant to Section 2.02 shall be net of the Net Proceeds of any insurance policy paid to the Indemnatee with respect to the applicable Loss, it being understood and agreed that, each of LBHI, LBHI SPV, LAMCO Holdings, LAMCO International and LAMCO will use its reasonable best efforts to collect on insurance coverage of insurance carriers as to which it is the insured party, without regard to whether it is the Indemnatee or the Indemnifying Party hereunder. For purposes of this Section 2.03, “**Net Proceeds**” shall mean the insurance proceeds actually received, less any actual, additional or increased premium for 24 months, deductibles, co-payments, other payment obligations (including attorneys’ fees and other costs of collection) or the present value of any future cost which is quantifiable with reasonable certainty, that relates to or arises from the making of such insurance claim.

(e) In no event shall an Indemnifying Party be liable for punitive damages sustained or claimed by an Indemnatee except to the extent such damages arise from a third party claim. Losses shall be determined after taking into account any indemnity, contribution or other similar payment received by the Indemnatee from any third party with respect thereto.

Section 2.04. Exclusive Remedy. Following the Closing, Article II shall provide the sole and exclusive remedy for any and all claims under this Agreement. In furtherance of the foregoing, except as otherwise provided in Article II, the parties hereby waive, and release each other from, to the fullest extent permitted by applicable law, any and all other rights, defenses, claims and causes of action (including rights of contributions, if any) known or unknown, foreseen or unforeseen, which exist or may arise in the future, that it may have against LBHI or any of its Affiliates or LAMCO Holdings or any of its Affiliates, as the case may be, arising under or based upon any applicable law (including any such law arising under or based upon any securities law, common law or otherwise).

ARTICLE III

ADDITIONAL MATTERS RELATED TO THE CONTRIBUTION

Section 3.01. Certain Other Instruments and Agreements. (a) On or before the Closing Date, in connection with the transfers of Asset Management Assets

and the assumption of Asset Management Liabilities, LBHI, LBHI SPV, LAMCO Holdings, LAMCO International and LAMCO shall execute or cause to be executed by the appropriate entities such deeds, bills of sale, endorsements, consents, assignments, assumptions and other good and sufficient instruments of conveyance and assignment and assumption in form and substance reasonably satisfactory to the parties hereto as in such parties' reasonable judgment shall be necessary to effect the Contribution whereby LAMCO will assume the Domestic Asset Management Liabilities and LAMCO International will assume the International Asset Management Liabilities (each a **"Conveyancing and Assumption Instrument"**).

(b) On or before the Closing Date, LBHI, LBHI SPV, LAMCO Holdings and LAMCO, as applicable, will enter (or cause their applicable Subsidiaries to enter) into the following agreements (collectively, the **"Ancillary Agreements"**): (i) the Shared Services Agreement substantially in the form of Exhibit A hereto (the **"Shared Services Agreement"**), (ii) the Asset Management Agreement substantially in the form of Exhibit B hereto, and (iii) the Amended and Restated Limited Liability Company Agreement of LAMCO Holdings substantially in the form of Exhibit C hereto.

Section 3.02. Construction of Agreements. Notwithstanding any other provisions of this Agreement to the contrary, in the event and to the extent that there shall be a conflict between the provisions of this Agreement or any Conveyancing and Assumption Instrument, on the one hand, and the provisions of any of the Ancillary Agreements, on the other hand, the provisions of such Ancillary Agreement shall prevail.

Section 3.03. No Representations or Warranties. LAMCO Holdings understands and agrees that LBHI and LBHI SPV, each individually, is not, in this Agreement, in any Ancillary Agreement or any Conveyancing and Assumption Instrument or in any other agreement or document contemplated by this Agreement, representing or warranting in any way (a) as to the value or freedom from encumbrance of, or any other matter concerning, any Asset Management Asset or any Asset Management Liability or (b) as to the legal sufficiency to convey title to any Asset Management Asset or the execution, delivery and filing of the instruments relating to the conveyance of title thereto, it being agreed and understood that all the Asset Management Assets are being transferred "as is, where is" and that LAMCO Holdings shall bear the economic and legal risk that any conveyances of such Assets shall prove to be insufficient or that LAMCO Holdings' title to any such Assets shall be other than good and marketable and free from encumbrances. Similarly, LAMCO Holdings understands and agrees that LBHI and LBHI SPV, each individually, is not, in this Agreement or in any other agreement or document contemplated by this Agreement, including any Conveyancing and Assumption Instrument, representing or warranting in any way that the obtaining of the consents or approvals, the execution and delivery of instruments and documents and the making of the filings and applications contemplated by this Agreement shall satisfy the provisions of all applicable agreements or the requirements of all applicable laws or judgments, it being agreed and understood that, subject to Section 2.02(b), 3.04 and 3.05 hereof, LAMCO Holdings shall bear the economic and legal risk that any necessary consents or approvals are not obtained or that any requirements of law or judgments are not complied with. LAMCO Holdings further represents that neither

LBHI, LBHI SPV, any of their Affiliates nor any other Person has made any representation or warranty, express or implied, as to the accuracy or completeness of any information regarding the Asset Management Business, the Asset Management Assets, the Asset Management Liabilities or the transactions contemplated by this Agreement, and none of LBHI, LBHI SPV, any of their Affiliates nor any other Person will have or be subject to any liability to LAMCO Holdings or any other Person resulting from the contribution to LAMCO Holdings or its representatives or LAMCO Holdings' use of, any such information, including any confidential memoranda or other descriptions distributed on behalf of LBHI or LBHI SPV relating to the Asset Management Business or any of the Asset Management Assets or Asset Management Liabilities or other publications or information provided to LAMCO Holdings or its representatives, or any other document or information in any form provided to LAMCO Holdings or its representatives in connection with the sale of the Asset Management Business and the transactions contemplated hereby. LAMCO Holdings acknowledges that it has conducted to its satisfaction, its own independent investigation of the Asset Management Business, the Asset Management Assets and the Asset Management Liabilities and, in making the determination to proceed with the transactions contemplated by this Agreement, LAMCO Holdings has relied on the results of its own independent investigation.

Section 3.04. Further Assurances. Subject to the allocation of risk with respect to the Contribution set forth in Section 3.03 hereof, from and after the Closing Date (i) LBHI and LBHI SPV shall use their reasonable best efforts to execute and deliver to LAMCO Holdings and, where necessary, shall use their reasonable best efforts (which shall include the incurrence of reasonable expenses) to file or cause to be filed of record all such assignments, deeds, bills of sale and other instruments or documents as reasonably may be required and to make all filings with and to obtain all licenses, permits, authorizations, qualifications, orders, consents and approvals of Governmental Authorities and third parties necessary to effect the Contribution in accordance with Section 3.05 hereof and will take such action as LAMCO Holdings may reasonably request in order to effect the assignment, transfer, conveyance and delivery to LAMCO Holdings of all of LBHI's and LBHI SPV's right, title and interest in and to the Asset Management Assets and the Asset Management Business and to otherwise do all things necessary and proper in the reasonable judgment of LBHI, LBHI SPV and LAMCO Holdings to carry out the terms of this Agreement (ii) LAMCO Holdings shall execute and deliver to LBHI and LBHI SPV all instruments or documents which reasonably may be required in order to effect the assumption by LAMCO Holdings of the Asset Management Liabilities or otherwise required to complete the transactions contemplated hereby (iii) LAMCO shall execute and deliver to LAMCO Holdings all instruments or documents which reasonably may be required in order to effect the assumption by LAMCO of the Domestic Asset Management Liabilities or otherwise required to complete the transactions contemplated hereby and (iv) LAMCO International shall execute and deliver to LAMCO Holdings all instruments or documents which reasonably may be required in order to effect the assumption by LAMCO International of the International Asset Management Liabilities or otherwise required to complete the transactions contemplated hereby.

Section 3.05. Governmental and Third Party Filings, Consents and Approvals. (a) Subject to the allocation of risk with respect to the Contribution set forth in Section 3.03 hereof, prior to the Closing Date LBHI, LBHI SPV, LAMCO Holdings, LAMCO International and LAMCO shall use reasonable best efforts to (i) make all filings with and to obtain all licenses, permits, authorizations, qualifications, orders, consents and approvals of Governmental Authorities and third parties necessary to effect the Contribution, including obtaining any necessary consents for the assignment of any claim, contract, license, lease, commitment or any claim or right or any benefit arising thereunder or resulting therefrom which cannot be assigned without such consent, (ii) obtain amendments to any material Transferred Contracts from which other businesses or assets of LBHI as well as the Domestic Asset Management Business or Domestic Asset Management Assets directly derive a benefit in order to provide that LAMCO has only the rights and obligations under those contracts and other commitments that relate to the Domestic Asset Management Business or the Domestic Asset Management Assets, provided that any such amendment shall be satisfactory in form and substance to each party hereto and (iii) obtain amendments to any material contracts from which other businesses or assets of LBHI as well as the International Asset Management Business or International Asset Management Assets directly derive a benefit in order to provide that LAMCO International has only the rights and obligations under those contracts and other commitments that relate to the International Asset Management Business or the International Asset Management Assets, provided that any such amendment shall be satisfactory in form and substance to each party hereto. Notwithstanding anything to the contrary in this Agreement, in connection with obtaining consents or amendments from third parties, LBHI, LBHI SPV, LAMCO Holdings, LAMCO International and LAMCO shall not be required to (but may) pay any consideration or agree to any modification to any agreement that would impose additional Liabilities following the Closing.

(b) If any consents or amendments necessary pursuant to paragraph (a) above are not obtained, each party shall, subject to the provisions relating to the allocation of risk set forth in Section 3.03, take all other action as may be reasonably requested by the other party in order to place the parties or their appropriate Subsidiaries, insofar as reasonably possible, in the same position as would have existed had the consents or amendments been obtained as intended; provided, however, that neither party shall be required to obtain substitute space with respect to any space under any lease not so assigned. Whether or not all of the Domestic Asset Management Assets and the Domestic Asset Management Liabilities shall have been legally transferred to, or assumed by, LAMCO prior to the Closing Date, the parties agree that, subject to the preceding sentence, as of the Closing Date, LAMCO shall have, and shall be deemed to have acquired, complete and sole beneficial ownership over all of the Domestic Asset Management Assets, together with all of LBHI's, LBHI SPV's and LAMCO Holdings' rights, powers and privileges incident thereto, and shall be deemed to have assumed in accordance with the terms of this Agreement all of such Liabilities, and all of LBHI's, LBHI SPV's and LAMCO Holdings' duties, obligations and responsibilities incident thereto. Whether or not all of the International Asset Management Assets and the International Asset Management Liabilities shall have been legally transferred to, or assumed by, LAMCO International prior to the Closing Date, the parties agree that, subject to the first sentence of this Section 3.05(b), as of the Closing Date, LAMCO

International shall have, and shall be deemed to have acquired, complete and sole beneficial ownership over all of the International Asset Management Assets, together with all of LBHI's, LBHI SPV's and LAMCO Holdings' rights, powers and privileges incident thereto, and shall be deemed to have assumed in accordance with the terms of this Agreement all of such Liabilities, and all of LBHI's, LBHI SPV's and LAMCO Holdings' duties, obligations and responsibilities incident thereto. Notwithstanding anything to the contrary herein (other than the preceding sentence), in the event that immediately prior to the contribution described in Section 2.01(a) the requisite regulatory consents have not been obtained with respect to the contribution of the LBHI Estates Equity Interests (pursuant to Section 2.01(a)(x)) (the "**LBHI Estates Regulatory Consents**"), then the LBHI Estates Equity Interests shall not be contributed pursuant to Section 2.01(a)(x) and the LBHI Liabilities solely allocable to the LBHI Estates Equity Interests shall not be contributed pursuant to Section 2.02(a)(vii) and, for the avoidance of doubt, (i) the LBHI Estates Equity Interests shall not be included in the definition of International Asset Management Assets for the purpose of this Agreement and (ii) the LBHI Liabilities solely allocable to the LBHI Estates Equity Interests (as described in Section 2.02(a)(vii)) shall not be included in the definition of International Asset Management Liabilities for the purpose of this Agreement. In the event that the LBHI Estates Equity Interests and the LBHI Liabilities solely allocable to the LBHI Estates Equity Interests are not contributed pursuant to the previous sentence, LBHI, LBHI SPV, LAMCO Holdings and LAMCO International shall continue to use reasonable best efforts to obtain the LBHI Estates Regulatory Consents. To the extent that the LBHI Estates Regulatory Consents are obtained after the Closing, LBHI, LBHI SPV, LAMCO Holdings and LAMCO International shall take all requisite action to cause, as promptly as practicable, the LBHI Estates Equity Interests and the LBHI Liabilities solely allocable to the LBHI Estates Equity Interests to be contributed to LAMCO International in a manner consistent with the manner in which the LBHI Estates Equity Interests and the LBHI Liabilities solely allocable to the LBHI Estates Equity Interests would have been contributed pursuant to the terms of this Agreement if the LBHI Estates Regulatory Consents had been obtained prior to Closing.

Section 3.06. Books, Records and Access to Information. (a) From and after the Closing Date, upon reasonable notice from LBHI, LAMCO and LAMCO International shall give to LBHI and its successors and their authorized accountants, counsel and other designated representatives reasonable access (including using its reasonable best efforts to give access to third parties or firms possessing information) and duplicating rights during normal business hours, in a manner that does not unreasonably interfere with LAMCO's or LAMCO International's business, to all records, books, contracts, instruments, computer data and other data and information (collectively, "**Information**") within LAMCO's or LAMCO International's possession or control relating to LBHI or the LBHI Subsidiaries to the extent such access is reasonably required by LBHI or its successors. From and after the Closing Date, upon reasonable notice from LAMCO Holdings, LAMCO International or LAMCO, LBHI shall give to LAMCO Holdings, LAMCO International or LAMCO and their respective successors and their respective authorized accountants, counsel and other designated representatives reasonable access (including using its reasonable best efforts to give access to Persons possessing information) and duplicating rights during normal business hours, in a manner

that does not unreasonably interfere with LBHI's business, to Information retained or controlled by LBHI to the extent such access is reasonably required by LAMCO Holdings, LAMCO International or LAMCO or their respective successors. Information may be required under this Section for, among other things, audit, accounting, claims, litigation, regulatory and Tax purposes and for purposes of fulfilling disclosure and reporting obligations.

(b) Subject to this Section 3.06, at all times from and after the Closing Date, each party will use its reasonable best efforts to make available to the other, upon written request, their respective officers, directors, employees and agents as witnesses, in a manner that does not unreasonably interfere with each other's businesses, to the extent that the same may reasonably be required in connection with any Actions in which the requesting party may from time to time be involved (except in the case of an adversarial Action by one party against the other party (which shall be governed by such discovery rules as may be applicable thereto)).

(c) For a period of one year following the Closing Date, each party will use reasonable efforts to make available to a requesting party, during normal business hours and in a manner that will not unreasonably interfere with such party's business, its staff whenever and to the extent that they may reasonably be required in order to assist in effecting an orderly transfer of the Asset Management Assets and the Asset Management Liabilities, provided, however, that the services provided hereunder shall be of an occasional, non-repetitive nature, it being understood that transitional services generally are to be provided pursuant to the Shared Services Agreement.

(d) A party providing Information or witnesses to the other shall be entitled to receive from the other, upon the presentation of invoices therefor, payments for such amounts relating to supplies, disbursements, and other out-of-pocket expenses, as may be reasonably incurred in providing such information or witnesses.

(e) On or prior to the Closing Date, LBHI shall use its reasonable best efforts to deliver to LAMCO Holdings copies of corporate records and files that constitute Asset Management Assets. Except as otherwise agreed in writing, each party shall retain all Information, if any, relating to any other party, for the periods after the Closing Date applicable to the Information in question as set forth in LBHI's retention policy as of the date hereof. The parties shall retain any classes of information for any longer period which may be reasonably requested in writing by any party and specified in such request. Notwithstanding the foregoing, any party may destroy or otherwise dispose of any Information not in accordance with LBHI's retention policy as of the date hereof, provided that prior to such destruction or disposal (i) such party shall provide no less than 90 nor more than 120 days' prior written notice to the other party hereto of any such proposed destruction or disposal (which notice shall specify in detail which of the Information is proposed to be so destroyed or disposed of) and (ii) if a recipient of such notice shall request in writing (a "**Requesting Party**") prior to the scheduled date for such destruction or disposal that any of the Information proposed to be destroyed or disposed of be delivered to such Requesting Party, such party proposing the destruction or disposal shall promptly arrange for the delivery of such of the Information as was

requested by the Requesting Party (it being understood that all out-of-pocket costs associated with the delivery of the requested Information shall be paid by the Requesting Party).

(f) Any Information disclosed to a party (the “**Informed Party**”) pursuant to the provisions of this Section will be kept confidential by such Informed Party, any of its Subsidiaries, Affiliates and the directors, officers, employees, representatives and controlling Persons, if any, of each and may not be disclosed unless (i) it becomes generally available to the public other than as a result of disclosure by such Informed Party or (ii) the Informed Party is required or ordered to disclose such Information (including by subpoena, interrogatory or other legal process); provided, however, that in the case of clause (ii) the Informed Party shall use its reasonable best efforts to obtain a protective or similar order if requested to do so by the Informing Party and to disclose only that portion of the Information which it believes is required to be disclosed.

Section 3.07. Bank Accounts. On or before the Closing Date, LAMCO, LAMCO International and LAMCO Holdings will open such bank accounts as LBHI, LBHI SPV, LAMCO Holdings, LAMCO International and LAMCO shall reasonably deem appropriate to provide for a smooth transition of the operation of the Asset Management Business following the Closing.

Section 3.08. No Intercompany Obligations. There are not any intercompany or interdivisional receivables, payables or loans in existence as of the date hereof between LBHI or any LBHI Subsidiary, on the one hand, and LAMCO Holdings and its Subsidiaries, on the other hand, and the parties shall not incur or create any such intercompany or interdivisional receivables, payables or loans prior to the Closing Date.

Section 3.09. Transfer Taxes. LBHI, LBHI SPV, LAMCO Holdings, LAMCO International and LAMCO each will defend, indemnify and hold harmless the other and each of their Affiliates and each of their respective officers and directors against all sales, use, stamp, documentary stamp, filing, recording, transfer or similar fees or Taxes or governmental charges (including (without duplication for the definition of “Taxes”) any interest and penalty thereon) that are primarily their liability under applicable Tax law and are payable in connection with the Contribution.

ARTICLE IV

CLOSING

Section 4.01. Closing. Subject to the satisfaction of the conditions set forth in Section 4.02 hereof (or the waiver thereof by the party entitled to waive that condition), the closing of the Contribution provided for in Article II hereof (the “**Closing**”) shall take place at the offices of Weil, Gotshal & Manges LLP located at 767 Fifth Avenue, New York, New York 10153 (or at such other place as the parties may designate in writing) at 10 a.m. (New York time) on the Business Day following the satisfaction or waiver of the conditions set forth in Section 4.02 (other than conditions

that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver of such conditions), unless another time or date, or both, are agreed to in writing by the parties hereto. The date on which the Closing shall be held is referred to in this Agreement as the “**Closing Date.**” Unless otherwise agreed by the parties in writing, the Closing shall be deemed effective and the Contribution shall have been consummated and be deemed effective as of 12:01 a.m. (New York time) on the Closing Date.

Section 4.02. Conditions Precedent. The respective obligations of each party to consummate the transactions contemplated by this Agreement shall be subject to the fulfillment at or prior to the Closing, of each of the following conditions:

(a) No statute, rule, regulation, executive order, decree, ruling, injunction or other order (whether temporary, preliminary or permanent) shall have been enacted, entered, promulgated or enforced by any Governmental Authority which prohibits, restrains or enjoins the consummation of the transactions contemplated by this Agreement or any of the Ancillary Agreements.

(b) The entry of the Bankruptcy Court Order.

ARTICLE V

EMPLOYEE MATTERS

Section 5.01. Domestic Transferred Employees. Upon the Closing Date, and effective upon the consummation of the Contribution, (i) all Domestic Business Employees who remain employed as of the Closing Date shall have their employment transferred to (the “Domestic Transferred Employees”) and shall be deemed to automatically become employees of LAMCO, and (ii) LBHI shall have assigned to LAMCO and LAMCO shall have accepted assignment of the Domestic Transferred Employment Agreements; provided, however, that to the extent a Domestic Transferred Employee is party to an employment agreement that may not be unilaterally assigned pursuant to its terms or applicable law, LAMCO shall instead offer to any such Domestic Transferred Employee to assume such employment agreement effective as of the Closing Date on terms substantially comparable to those in effect between LBHI and such Domestic Transferred Employee immediately prior to the Closing Date. All Liabilities in respect of any Domestic Business Employee who does not become a Domestic Transferred Employee shall constitute LBHI Liabilities. All Liabilities relating to the Domestic Transferred Employees for periods from and after the Closing Date, as well as those Liabilities assumed by LAMCO under this Article V, shall constitute Domestic Asset Management Liabilities.

Section 5.02. Continued Participation in LBHI Employee Plans. From and after the Closing Date, the Domestic Transferred Employees and International Transferred Employees shall be eligible to continue participation in the LBHI Plans (subject to the terms of such plans, including the right to amend or terminate such plans, and any limitations established by LBHI from time to time, including any limitations intended to prevent duplication of benefits with new employee plans that may be

established by LAMCO) for so long as LAMCO and LBHI continue to be treated as a “single employer” within the meaning of Section 414(b) or Section 414(c) of the Code. LAMCO shall reimburse LBHI for all costs associated with such continued participation by Domestic Transferred Employees in the LBHI Plans as set forth in the Shared Services Agreement, and the foregoing obligation of LBHI shall be contingent upon LAMCO's compliance with such reimbursement requirement. Other than the provision of benefits under the LBHI Plans in accordance with this Section 5.02 and its obligations with respect to the LBHI Plans under the Shared Services Agreement, LBHI shall assume no obligation for, and LAMCO shall indemnify and hold LBHI harmless against, any and all Liabilities associated with the participation of the Domestic Transferred Employees in the LBHI Plans.

Section 5.03. Compensation. LAMCO shall assume all salary, bonus, employee benefits and severance payment obligations (including for any “Bonus Payments” as defined under the Domestic Transferred Employment Agreements), as well as related payroll tax obligations, due to be paid to the Domestic Transferred Employees on or after the Closing Date pursuant to the Domestic Transferred Employment Agreements or otherwise in accordance with Section 5.01, it being understood that such obligations shall include accrued salary obligations with respect to the Domestic Transferred Employees for the entire pay period in which the Closing Date falls, notwithstanding that LBHI employed the Domestic Transferred Employees during a portion of such period; provided however, that for the avoidance of doubt, all such obligations shall be subject to LBHI's payment obligations under the Asset Management Agreement.

This Agreement may not be assigned by any party or by operation of law or otherwise without the prior written consent of each of the other parties (which consent may be granted or withheld in the sole discretion of such other party, as the case may be). Subject to the preceding sentence, this Agreement and all of the provisions hereof shall be binding upon and inure to the benefit of the parties and their respective successors and permitted assigns.

Section 6.07. No Third Party Beneficiaries. This Agreement is solely for the benefit of the parties hereto and their respective Subsidiaries and, with respect to the provisions of Article II hereof, their respective directors, officers and Affiliates, and should not be deemed to confer upon any other third parties (other than the Creditors' Committee which shall, until the Termination Date, be a third-party beneficiary of this Agreement with rights to enforce the obligations of the parties hereto) any remedy, claim, liability, reimbursement, claim of action or other right in excess of those existing without reference to this Agreement.

Section 6.08. Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible.

Section 6.09. Injunctive Relief. Damages at law may be an inadequate remedy for the breach of any of the covenants, promises and agreements contained in this Agreement, and, accordingly, any party hereto shall be entitled to injunctive relief with respect to any such breach, including specific performance of such covenants, promises or agreements or an order enjoining a party from any threatened, or from the continuation of any actual, breach of the covenants, promises or agreements contained in this

Agreement. The rights set forth in this Section 6.09 shall be in addition to any other rights which a party may have at law or in equity pursuant to this Agreement.

Section 6.10. Submission to Jurisdiction; Consent to Service of Process.

(a) Without limiting any party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, and (ii) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court and the parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 6.05 hereof; provided, however, that if the Bankruptcy Case has closed, the parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in New York County or the Commercial Division, Civil Branch of the Supreme Court of the State of New York sitting in New York County and any appellate court from any thereof, for the resolution of any such claim or dispute. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

(b) Each of the parties hereto hereby consents to process being served by any party to this Agreement in any suit, action or proceeding by delivery of a copy thereof in accordance with the provisions of Section 6.05.

Section 6.11. Waiver of Right to Trial by Jury. Each party to this Agreement waives any right to trial by jury in any action, matter or proceeding regarding this Agreement or any provision hereof.

Section 6.12. Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF the parties hereto execute this Agreement as of the date first above written.

ASSET MANAGEMENT AGREEMENT

THIS AGREEMENT (together with all appendices, schedules and annexes hereto, which are hereby deemed a part hereof, and as amended, modified or supplemented from time to time, this “Agreement”), is made as of the ____ day of _____, 2010, by and between: (i) Lehman Brothers Holdings Inc., a corporation organized under the laws of Delaware (the “Client”); and (ii) LAMCO LLC, a limited liability company organized under the laws of Delaware (hereinafter called the “Manager”). For purposes of this Agreement only, (a) neither the Manager nor any of its subsidiaries shall be deemed an affiliate of the Client, and (b) the Client shall not be deemed an affiliate of the Manager or any of its subsidiaries.

WITNESSETH:

WHEREAS, the Client is a debtor-in-possession under title 11 of the United States Code, 11 U.S.C. § 101 et seq. (the “Bankruptcy Code”), and filed voluntary petitions for relief under chapter 11 of the Bankruptcy Code on September 15, 2008 in the United States Bankruptcy Court for the Southern District of New York (Manhattan) (the “Bankruptcy Court”) (Case No. 08-13555(3MP)) (the “Bankruptcy Case”);

THEREFORE, for and in consideration of the premises and of the mutual covenants herein contained, the parties hereby agree as follows:

1. Appointment and Status as Asset Manager. The Client hereby appoints the Manager to provide asset management and investment management services as further set forth in this Agreement and the Manager does hereby accept said appointment.
2. Management Services. (a) (i) The Manager shall be responsible for providing to the Client the investment management services set forth as an appendix hereto and as amended in accordance with the terms of this Agreement. Notwithstanding the foregoing, the parties shall use commercially reasonable efforts to prepare, within 90 days of the date of this Agreement, a client charter (the “Client Charter”), which shall identify the assets of the Client (the “Managed Assets”) and the investment management services to be provided by the Manager with respect to the specified asset classes (each, an “Asset Class”) to which the Client’s Managed Assets relate which services initially shall be substantially similar to those set forth in the applicable appendix hereto. For the avoidance of doubt, the Manager and the Client acknowledge that Managed Assets attributable to an Asset Class may be held by the Client or any of the entities listed on Schedule A, and as a result, the compensation and expenses payable by the Client to the Manager pursuant to the terms of this Agreement shall be internally allocated among the Client and the entities listed on Schedule A in accordance with the terms set forth in Appendix F of this Agreement. Following finalization of the Client Charter, the Manager shall provide to the Client the investment management services set forth therein in lieu of the investment management services set forth in the applicable appendix hereto. Any amendment, modification or change to the Client Charter or an appendix to this Agreement proposed to be made prior to the Termination Date (as defined below) shall require the prior approval of the Official Committee of Unsecured Creditors of Lehman Brothers Holdings Inc., et al., which was appointed by the Office of the United States

Trustee on September 17, 2009, as revised or supplemented (the “Creditors’ Committee”). The “Termination Date” shall mean the date on which a chapter 11 plan of the Client becomes effective; provided, however, that in the event that such chapter 11 plan of the Client extends the rights of the Creditors’ Committee set forth herein beyond the date on which such chapter 11 plan of the Client becomes effective, then the Termination Date shall be deemed to be the date on which such rights of the Creditors’ Committee set forth herein expire pursuant to such chapter 11 plan of the Client. If there is insufficient evidence of, or defects in, the title and ownership of a Managed Asset by the Client and such insufficiency or defect (x) did not result from a breach by the Manager of its duties under this Agreement and (y) could not be cured through the commercially reasonable good faith and diligent efforts of the Manager (an “Untitled Asset”), the Manager may, in its discretion, continue to provide services pursuant to this Agreement in respect of such Untitled Asset, and, in such case, (A) the Manager shall still be entitled to reimbursement of expenses incurred to cure such defect, and the payment of management fees in respect of such Untitled Asset and (B) the Manager Indemnitees (defined below) shall be entitled to the indemnities and exculpatory provisions of Sections 13 and 14 of this Agreement, in each case of clauses (A) and (B) with respect to such Untitled Asset. Notwithstanding the foregoing, the Manager may elect not to continue to provide services in respect of an Untitled Asset if the related defect in title is not cured by the Client (or by the Manager at the direction of the Client) within 45 days following the delivery by the Manager to the Client of written notice specifying in reasonable detail (I) the defect in title respect of such Untitled Asset and (II) the Manager’s efforts to cure such defect in title, in which case, the Manager shall still be entitled to retain or receive fees earned for services previously rendered with respect to such Untitled Asset.

(ii) Subject to the Client’s Client Charter, including the “Protocols” with respect to the relevant Asset Class identified therein (the “Protocols”), the Manager may enter into, acquire, maintain, restructure or terminate any bona fide short sales, assets, contracts, instruments or other arrangements designed to hedge or reduce one or more risks associated with, or to perform under, a Managed Asset (“Bona Fide Hedging Transactions”); provided that any such Bona Fide Hedging Transactions entered into with respect to a Managed Asset owned by Lehman Brothers Holdings Inc. or the entities listed on Schedule A hereto shall be subject to the protocol set forth in the Bankruptcy Court’s March 11, 2009 order [Docket No. 3047].

(iii) Notwithstanding anything herein to the contrary, the rights granted to, obligations of and limitations on, the Manager in this Agreement shall not exceed the rights, obligations and limitations of the Client with respect to the Client’s Managed Assets. Notwithstanding anything herein to the contrary, the Manager shall not take any actions on behalf of the Client to the extent such actions would be inconsistent with the Client’s Client Charter, the Manager’s duties under this Agreement or its rights and obligations under the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, or orders of the Bankruptcy Court or protocols or understandings with the Creditors’ Committee.

(iv) Upon the receipt of any Current Income or Disposition Proceeds (each as defined below) from a Managed Asset of the Client within any Asset Class (A) the portion of such income or proceeds comprised of cash shall not be deemed part of such Asset Class and shall, on a daily basis (to the extent practical), be deposited into an account designated by the Client for the receipt of such cash income or proceeds (which account shall be under the control of the Client or, if appointed by the Client, its custodian) and shall not be a Managed Asset and (B) any non-cash income or proceeds from such Managed Asset shall remain a Managed Asset and shall be subject to the Client's Client Charter, including the Protocols set forth therein in respect of the relevant Asset Class, and the securities, instruments, assets or other interests comprising such non-cash income or proceeds shall be held in the same accounts and manner as the Managed Asset from which they were generated.

(v) For purposes of this Agreement, (A) "Current Income" shall mean interest, dividends and other income from Managed Assets other than Disposition Proceeds; (B) "Disposition Proceeds" shall mean all amounts (whether cash, securities, instruments, assets or other interests) received upon the Disposition of a Managed Asset; and (C) "Disposition" shall mean the sale, transfer, exchange, redemption, repayment, repurchase or other disposition of all or any portion of a Managed Asset for cash, securities, instruments, assets or other interests.

(vi) With respect to the services to be provided to the Client, the Manager shall discharge its responsibility for the investment, management and control of the Client's Managed Assets as a fiduciary and act in good faith solely in the best interest of the Client and shall do so with that degree of care, skill, prudence and diligence under the circumstances that a prudent person acting in a like capacity and familiar with such matters would exercise under similar circumstances in like positions.

(b) *Authority and Delegation.* Subject to the Client's Client Charter, including the Protocols set forth therein with respect to each Asset Class, the Client hereby delegates to the Manager all of its powers, authority, privileges and rights with regard to the management, transfer, sale, disposition, refinancing or restructuring of the Managed Assets and any other transactions related thereto and hereby appoints the Manager as its agent in fact with full authority and at its discretion to so manage and effect any such transactions (including Bona Fide Hedging Transactions) involving the Managed Assets in the Client's name, on the Client's behalf and at the Client's risk as the Manager deems appropriate from time to time in order to carry out the Manager's responsibilities hereunder. Said powers, duties and responsibilities shall be exercised exclusively by the Manager pursuant to and in accordance with the provisions of this Agreement and the Client's Client Charter, including the Protocols set forth therein with respect to each Asset Class. In addition, subject to the Client's Client Charter and Section 2(a)(vi) above, the Manager shall provide prior written notice to the Client of any of the following matters requiring action and shall be authorized to take the following actions after giving such prior notice to the Client: (i) vote, tender or convert any securities or similar instruments comprising the Managed Assets of the Client; (ii) execute waivers, consents and other instruments with respect to such securities or similar instruments; and (iii) endorse, transfer or deliver such securities or similar instruments or to consent to any

class action, plan of reorganization, merger, combination, consolidation, liquidation or similar plan with reference to such securities or similar instruments. For the avoidance of any doubt, the Client retains all obligations (including future funding obligations) with respect to each Managed Asset as the record and beneficial owner thereof. The Manager shall not acquire any asset (other than a Bona Fide Hedging Transaction entered into in accordance with Section 2(a)(ii)), if the terms of such acquisition would impose a future funding obligation on the Client without the prior written consent of the Client. Unless the consent or approval of the Client is expressly required, the Manager may act in its discretion with respect to the Managed Assets. Notwithstanding anything in this Agreement to the contrary, the Manager may, with the Client's prior written approval and, in the case of any delegation outside of the ordinary course of business proposed to be made prior to the Termination Date, with the prior written approval of the Creditors' Committee, delegate any or all of its discretionary investment, advisory and other rights, powers, functions and obligations hereunder to any sub-adviser, which may be a third party or any affiliate of the Manager; provided that (i) each such delegation shall be (i) revocable by the Manager upon notice to the delegate and (ii) the Manager shall continue to be liable to the Client for the Manager's obligations hereunder and for all actions of any such third parties or affiliates to the same extent as the Manager is liable for its own actions hereunder. The Manager shall not incur sub-advisory fees without the written consent of the Client and, in the case of any delegation outside of the ordinary course of business proposed to be made prior to the Termination Date, without the prior written approval of the Creditors' Committee, in which case such fees shall be either (i) borne by the Client or (ii) incurred by the Manager and reimbursed by the Client.

(c) *Power of Attorney and Proxy.* The Client by executing this Agreement hereby irrevocably constitutes and appoints the Manager, with full power of substitution, the true and lawful attorney-in-fact, proxy and agent of the Client (and grants to the Manager the Client's full proxy, power and authority), to, subject to the Client Charter of the Client, including the Protocols with respect to the relevant Asset Class, (i) execute, vote, acknowledge, verify, swear to, deliver, record and file, in its or its assignee's name, place and stead, all agreements, instruments, documents and certificates and (ii) take any and all actions, in each case, that the Manager deems appropriate or necessary to enable the Manager to perform its services (including the Disposition, restructuring, refinancing, or funding of any Managed Asset) under this Agreement and deal in the Client's Managed Assets in accordance herewith. The power of attorney and proxy granted herein shall be deemed to be coupled with an interest, shall be irrevocable, shall survive and not be affected by the Bankruptcy Case or the dissolution, bankruptcy, incapacity or legal disability of the Client and its affiliates and shall extend to its successors and assigns. Any person dealing with the Manager may conclusively presume and rely upon the fact that any instrument referred to above, executed by such attorney-in-fact, proxy and agent, is authorized, regular and binding, without further inquiry. If required, the Client shall execute and deliver to the Manager within ten (10) business days after the receipt of a request therefor, such further designations, powers of attorney, proxies or other instruments as the Manager shall reasonably deem necessary for the purposes of giving effect to the foregoing power of attorney or enabling the Manager to perform its services under this Agreement.

- (d) *Further Assurances.* The Client agrees to inform the Manager, and the Manager agrees to inform the Client, promptly in writing if any representation, warranty or agreement made, or information supplied, by such party in this Agreement is no longer true, correct or complete or requires exception and/or modification to remain true; provided that any information provided pursuant to this provision which relates to a period after the date of this Agreement and which alters the accuracy of any representation or warranty contained in this Agreement shall not be considered a breach of such representation or warranty. The Client agrees to provide such information and execute and deliver such documents, instruments, certificates and opinions (including such documents, instruments, certificates and opinions that are required to allow the Manager to give instructions directly to any Third-Party Custodian (as defined below)) with respect to itself, all of its subsidiaries and any of its Managed Assets as the Manager may from time to time reasonably request to perform the services under this Agreement or to comply with any law, rule or regulation to which the Manager may be subject or for any other reasonable purpose.
3. Representations by Client. The Client hereby represents and warrants to, and agrees with, the Manager that, subject to the receipt of any necessary approvals of the Bankruptcy Court: (i) this Agreement has been duly authorized, executed and delivered by the Client and constitutes the Client's legal, valid and binding obligation and, without limitation, all transactions of any kind relating thereto authorized or otherwise contemplated by the Client in this Agreement with respect to each Managed Asset of the Client are within the Client's power, are duly authorized by the Client and, when duly entered into with a counterparty, will be the legal, valid and binding obligations of the Client, subject in each case to applicable bankruptcy, insolvency, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity); (ii) without limitation, the execution and delivery by the Client of, and compliance by the Client with, this Agreement and the Client's Client Charter, and the performance by the Manager of the services hereunder, and the transactions and agreements which the Manager enters into on behalf of the Client with any counterparty pursuant to this Agreement will not violate the constituent documents of, or any law, rule, regulation, order, decree or judgment binding on the Client, or any contractual restriction binding on or affecting the Client or its properties and no governmental or other notice or consent is required in connection with the execution, delivery or performance of this Agreement by the Client or of any agreements governing or relating to the Client's obligations hereunder; and (iii) the Client shall have full responsibility for payment of all taxes due on capital or income held or collected for the benefit of the Client.
4. Representations, Warranties and Covenants of the Manager. (a) The Manager hereby represents and warrants to, and agrees with, the Client that, subject to the receipt of any necessary approvals of the Bankruptcy Court as a result of the pending Bankruptcy Case: (i) this Agreement has been duly authorized, executed and delivered by the Manager and constitutes the Manager's legal, valid and binding obligation of the Manager, enforceable against it in accordance with its terms, subject in each case to applicable bankruptcy,

insolvency, reorganization, moratorium and similar laws affecting creditors' rights and remedies generally, and subject, as to enforceability, to general principles of equity, including principles of commercial reasonableness, good faith and fair dealing (regardless of whether enforcement is sought in a proceeding at law or in equity); (ii) without limitation, the execution and delivery by the Manager of, and compliance by the Manager with, this Agreement, and the performance by the Manager of the services hereunder, and the transactions and agreements which the Manager enters into on behalf of the Client with any counterparty pursuant to this Agreement will not violate the constituent documents of, or any material law, rule, regulation, order, decree or judgment binding on the Manager, or any material contractual restriction binding on or affecting the Manager or its properties and no governmental or other notice or consent is required in connection with the execution or delivery of this Agreement by the Manager or, to the Manager's knowledge, of any agreements governing or relating to the Manager's obligations hereunder; and (iii) the Manager shall at all times act in accordance with (a) this Agreement (unless otherwise agreed to in advance by the Client) and (b) any provision of applicable law, including the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act") and all applicable rules and regulations of the Securities and Exchange Commission (the "SEC") promulgated thereunder, including by maintaining all necessary licenses, permits and other authorizations from the SEC and any other regulatory, self-regulatory or other governmental authority (each, a "Regulatory Authority"), except where a failure to act in accordance with this Agreement or where a failure to possess any licenses, permits and other authorizations or any non-compliance with the same, would not have a material adverse effect on the performance by the Manager of the services hereunder.

(b) The Manager hereby covenants not to enter into any transaction or agreement on behalf of the Client pursuant to this Agreement unless such transaction or agreement complies with applicable law.

5. Portfolio Execution. The Client, unless it directs the Manager to use a particular broker or dealer (a "Directed Broker"), hereby delegates to the Manager sole and exclusive authority to designate the brokers or dealers through which all purchases and sales, or any other transactions related thereto, of Managed Assets on behalf of the Client will be made. To the extent permitted by applicable law, such brokers or dealers may include any firm that may be presumed an affiliate of the Manager ("Affiliated Broker-Dealers"). The Manager will determine the rate or rates, if any, to be paid for brokerage services provided to the Client with respect to its Managed Assets. The Manager agrees that securities are to be purchased through such brokers as, in the Manager's best judgment, shall offer the best combination of price and execution. The Manager, in seeking to obtain best execution of portfolio transactions for the Client, may consider the quality and reliability of brokerage services, as well as research and investment information and other services provided by brokers or dealers. Accordingly, the Manager's selection of a broker or dealer for transactions with respect to the Managed Assets may take into account such relevant factors as (i) price, (ii) the broker's or dealer's facilities, reliability and financial responsibility, (iii) when relevant, the ability of the broker to effect securities transactions, particularly with regard to such aspects as timing, order size and execution of the order, (iv) the broker's or dealer's recordkeeping capabilities and (v) the

research and other services provided by such broker or dealer to the Manager in a manner that falls within the safe harbor of Section 28(e) of the Securities and Exchange Act of 1934, as amended, provided that all such research and other services are used by the Manager for the benefit of the Client (collectively, “Research”). Upon the request of the Client, the Manager shall provide to the Client regular reports in such form and at such times as may reasonably be required by the Client, setting forth the amount of total brokerage business placed by the Manager with respect to the Managed Assets and the allocation thereof among brokers and dealers, identifying those brokers and dealers which provided research services, and containing such other information as the Client may reasonably request. In the event that the Client instructs the Manager to place orders through a Directed Broker, including a Directed Broker who is also an Affiliated Broker-Dealer, the Client hereby acknowledges that the Manager may not obtain “best execution” and waives any applicable “best execution” requirements with respect to transactions with such Directed Broker, provided that the Manager shall monitor and advise the Client if any such Directed Broker fails to obtain “best execution.”

6. Aggregation and Allocation of Orders. Subject to Section 2(a)(vi), the Client authorizes the Manager, at the Manager’s discretion, to bunch or aggregate orders with respect to the Client’s Managed Assets with orders of other clients and to allocate the aggregate amount of the investment among accounts (including accounts in which the Manager, its affiliates and/or their personnel have beneficial interests) in a fair and equitable manner. When portfolio decisions are made on an aggregated basis, the Manager may, in its discretion, place a large order to purchase or sell Managed Assets for the Client and the accounts of several other clients. The Client acknowledges that: (i) because of the prevailing trading activity, it is frequently not possible to receive the same price or execution on the entire volume of securities purchased or sold; (ii) if this occurs, the various prices may be averaged and the Client will be charged or credited with the average price, and the effect of the aggregation may operate on some occasions to the Client’s disadvantage; (iii) although in such an instance the Client will be charged the average price, the Manager will make the information regarding the actual transactions available to the Client upon the Client’s request; and (iv) the Manager and its affiliates are not required to bunch or aggregate orders, and therefore the Client may not receive the average price on any given trade. Notwithstanding the foregoing, to the extent the Manager has custody of the Managed Assets pursuant to Section 10 of this Agreement, the Manager will segregate and keep separate and readily identifiable such Managed Assets from the assets of its other clients.

7. Conflicts of Interest; Affiliated Transactions. (a) *General.* This Agreement shall not be construed in any manner to preclude the Manager from engaging in any business or other activity whatsoever. If any matter arises with respect to one or more Managed Assets of the Client that the Manager determines in its good faith judgment may constitute a conflict of interest, the Manager shall provide prompt notice of such matter to the Client and the Creditors’ Committee (provided that there shall be no requirement to provide notice to the Creditors’ Committee if such a determination of the Manager is made on or after the Termination Date), and shall take such actions, including consultation with the Client or taking actions consistent with (i) the Client’s Client Charter, including the Protocols set forth therein with respect to the relevant Asset Class, or (ii) the instruction

of the Client or procedures approved by the Client, as it determines acting in good faith may be necessary or appropriate to ameliorate the conflict. Upon the Manager taking an action in accordance with the instruction of, or procedures approved by, the Client, and subject to Section 2(a)(vi), the Manager shall be relieved of any liability for such conflict to the fullest extent permitted by law.

(b) *Cross Trades.* From time to time, when determined by the Manager to be in the best interest of the Client and consistent with the Client's Client Charter and the Manager's duty to obtain "best execution," the Client's Managed Assets may be purchased from or sold to another account (including public or private collective investment vehicles) managed, maintained or trusted by the Manager or an affiliate at prevailing market levels in accordance with applicable law and utilizing, with respect to pricing, such pricing methodology determined to be fair and equitable to the Client in the Manager's reasonable judgment. The Manager shall provide written confirmation to the Client of any cross trade effectuated pursuant to this Section 7(b).

(c) *Agency Cross Trades.* Consistent with applicable law, the Client hereby authorizes the Manager to effect agency cross transactions on its behalf with its Affiliated Broker-Dealers, and understands that such Affiliated Broker-Dealers may retain commissions in connection with effecting any transactions for the Client. Upon registration of the Manager under the Advisers Act, the Manager and any Affiliated Broker-Dealers shall thereby be authorized, consistent with applicable law, by the Client to execute agency cross transactions (as defined in Rule 206(3)-2 under the Advisers Act) on behalf of the Client. The Client acknowledges that agency cross transactions may facilitate a purchase or sale of a block of securities of the Managed Assets at a predetermined price and may avoid unfavorable price movements which might otherwise be suffered if the purchase or sale order were exposed to the market; however, the Manager and its Affiliated Broker-Dealers may act as brokers for and receive commissions from, and therefore may have a potentially conflicting division of loyalties and responsibilities regarding, both parties to an agency cross transaction. The Client understands that its authority to the Manager to effect agency cross transactions for the Client is terminable at will without penalty, effective upon receipt by the Manager of written notice from the Client. The Manager shall provide written confirmation to the Client of any agency cross trade effectuated pursuant to this Section 7(c).

8. Reports, Valuations, Meetings and Other Communications. (a) The Manager shall provide the Client with reports containing the valuations and status of the Managed Assets on such basis and at such times as shall be set forth in the Client's Client Charter under "Periodic Reporting" with respect to each Asset Class. To the extent valuation levels for the Managed Assets of the Client are provided pursuant to requirements set forth in the Client's Client Charter, such valuations will reflect the Manager's good faith and diligent effort to ascertain fair value levels (including accrued income, if any) for such Managed Assets based on pricing and valuation information believed by the Manager after due inquiry to be reliable under the circumstances or on such basis as shall be set forth in the Client's Client Charter under "Valuation" with respect to each Asset Class. The Client acknowledges that valuation levels may not ultimately be realized due to, among other factors, market conditions, future operating results, transaction size, legal

and contractual restrictions on transfers that may limit liquidity, any related transaction costs, the timing and manner of the sales, economic and political developments, interest rates and issuer-specific events, and sector positioning. Exchange rates determined by the Manager in good faith to be reasonable under the circumstances will be applied in valuing holdings in foreign currency. The Client agrees that the Manager is only obligated to send to the Client copies of any trade confirmations it receives upon written request of the Client. The Client acknowledges and agrees that (i) none of the information which the Manager provides the Client hereunder shall be deemed to be the official books and records of the Client, which shall be maintained and kept by the Client, for tax, accounting and all other purposes; provided that the Manager acknowledges that any such reporting and valuation information produced by it may serve as supporting information with respect to the official books and records maintained and kept by the Client; and (ii) the Client will not publish, reproduce (except for internal or archival purposes) or disseminate any non public pricing information provided by the Manager without the Manager's consent; provided that such consent shall not be required with respect to any disclosure (a) to the Creditor's Committee or the advisors of the Creditors' Committee, or (b) otherwise required in the Client's sole discretion, or by law, legal process or other compulsory process or regulatory inquiry, including in connection with disclosures made in connection with the Bankruptcy Case. Unless otherwise provided expressly in the Client's Client Charter under "Asset Management and Investment Management Services" with respect to an Asset Class, the Manager shall be responsible for determining the value of the Managed Assets of the Client.

(b) The Manager, upon request of the Client, shall attend meetings with representatives of the Client to discuss the position of the Client's Managed Assets and the investment outlook, and shall submit its views in writing to the Client as requested by the Client from time to time.

(c) In connection with services being provided hereunder, the Creditors' Committee and its advisors may communicate with employees of the Manager to the extent and in the manner in which it currently communicates with employees of the Client.

(d) The Manager shall notify the Client and the Creditors' Committee promptly upon becoming aware of (i) any changes or events that could reasonably be expected to materially and adversely affect the Managed Assets of the Client or the Manager's management of such Managed Assets, including the following: any audit, investigation, inquiry, action or proceeding by any Regulatory Authority involving the Manager or such Managed Assets of which the Manager has received notification from such Regulatory Authority and (ii) any financial condition of or significant corporate event involving the Manager that would reasonably be expected to materially and adversely affect its ability to meet contractual commitments to the Client under this Agreement; provided that there shall be no requirement to provide notice to the Creditors' Committee if the Manager becomes aware of any change, event or condition set forth in the previous sentence on or after the Termination Date.

9. Compensation; Expenses. (a) The Manager shall be compensated by the Client with respect to Managed Assets of the Client within a particular Asset Class in accordance

with the terms set forth in Appendix F with respect to such Asset Class, which amount shall be due and payable at the times and in the amounts set forth in Appendix F.

(b) The Client shall be responsible for the payment of all costs, fees and expenses incurred in respect of the Client's Managed Assets. By way of example, and not limitation, the Client will bear with respect to its Managed Assets: (i) any brokerage commissions, transfer fees, registration costs, taxes and other similar costs, (ii) fees and expenses of persons providing specialty pricing and valuation services, (iii) legal, financial, accounting, due diligence, placement, consulting and other advisory fees, costs and expenses, (iv) fees and expenses (including fees and expenses listed in any separate custody agreement) in connection with the custody of such Managed Assets held by a Third-Party Custodian (as defined in Section 10 hereof), (v) any travel and accommodation expenses, (vi) all costs and all fees (including commitment fees) and expenses due of any lenders, investment banks or other financing sources, (vii) any topping, termination or break-up fees, deposits or down payments of cash or other property that are forfeited in connection with a prospective or potential transaction, (viii) any taxes, fees or other governmental charges levied against the Managed Assets and all expenses incurred in connection with any tax audit, investigation, settlement or review of such Managed Assets, (ix) fees, costs and expenses of persons (other than, to avoid any doubt, persons regularly employed on a full-time basis by the Manager) providing mortgage servicing with respect to such Managed Assets, (x) a pro rata portion of fees, costs and expenses of any insurance usual and customary for asset management businesses similarly situated to the business of the Manager, and (xi) any expenses related to Bona Fide Hedging Transactions entered into with respect to such Managed Assets. The Client hereby authorizes the Manager to incur such costs, fees and expenses with respect to the Client's Managed Assets and such transactions and such costs, fees and expenses shall be paid or reimbursed separately to the Manager by the Client within no more than thirty (30) days after the Client receives a written invoice therefor setting forth in reasonable detail the types of expenses with respect to the Client's Managed Assets. Alternatively, the Manager may, on behalf of the Client, cause the Client to incur and pay directly any such costs, fees and expenses. Any amounts paid as compensation by the Client to the Manager pursuant to Section 9(a) must not be duplicative of expenses paid or reimbursed by the Client pursuant to this Section 9(b). Notwithstanding that the Manager is responsible for payment of the expenses (if any) relating to the services to be provided to the Manager pursuant to the Shared Services Agreement dated as of [●], 2010 between the Manager and the Client; the Client shall be responsible for reimbursement of any such amounts to the Manager.

(c) On the date of this Agreement, the Client shall pay to the Manager, in advance, the estimated Personnel and Non-Personnel Expenses (as such term is defined in Appendix F under "Management Fees") (as estimated by the Manager) through the end of the second calendar quarter of 2010, with any balance due to the Manager for services performed during the applicable management fee period to be paid by the Client at the time the Client pays the first Estimated Quarterly Fee Amount (as such term is defined in Appendix F under "Management Fees").

10. Custody. The Manager and the Client agree that (i) the current custodial arrangements related to the Managed Assets of the Client shall remain unchanged unless otherwise agreed by the Client and (ii) under the current custodial arrangements, such Managed Assets are held by the Client or, to the extent required, a “qualified custodian” as defined in Rule 206(4)-2 of the Advisers Act (a “Qualified Custodian”) that is not affiliated with the Client or the Manager (a “Third-Party Custodian”). To the extent that the Client agrees to modify the current custodial arrangements with respect to the Client’s Managed Assets, the Client may appoint and enter into an agreement with additional Third Party Custodians; provided, however, that, to the extent that the Manager is a Qualified Custodian, the Client may appoint the Manager as custodian of the Managed Assets or any portion thereof. The Manager is authorized to give instructions (including, as applicable with respect to particular Managed Assets of the Client, in the exercise of its discretion in respect thereof) to such Third-Party Custodian with respect to all transaction and related decisions regarding such Managed Assets. The Manager will have no liability with respect to the custodial arrangements of, or the acts, conduct, or omissions of, a Third-Party Custodian. With respect to Managed Assets of the Client maintained by a Third-Party Custodian, the Manager shall have no responsibility or liability with respect to the collection of income or the physical acquisition, management of capital charges, or safekeeping of such Managed Assets, securities, funds, and/or other properties that comprise such Managed Assets or affecting authorized distributions. All such duties shall be the sole obligation of the Client or Third-Party Custodian, if appointed. To the extent that a Managed Asset of the Client is deemed an Untitled Asset, the Manager shall not be deemed to have custody of such Managed Asset unless the Client cures such insufficiency or defect without prejudice to the Manager. To the extent the Manager has custody of Managed Assets of the Client, the Manager will segregate and keep separate and readily identifiable such Managed Assets from the assets of its other clients.

11. Confidential Information. The Manager agrees with the Client that it will, and will cause its officers, directors, affiliates and employees, agents and representatives to, at all times keep confidential and not divulge, furnish or make accessible to any person or entity, any confidential information, knowledge or data concerning or relating to this Agreement, the Client or any of the Client’s Managed Assets, including positions, trading or other sale information, strategies, hedging and the like, or any other information related to any of the forgoing (the Client’s “Confidential Information”) without the prior written consent of the Client, except as follows:
 - (a) Where disclosure is expressly permitted under the terms of this Agreement;
 - (b) Where disclosure is required for the purpose of making, acquiring, restructuring, refinancing, settling, realizing, or engaging in any other transaction with respect to a Managed Asset of the Client in accordance with the terms of the Agreement and the Client’s Client Charter, including the Protocols with respect to the related Asset Class;
 - (c) Where disclosure is required by compulsory process, law or the order of any court or pursuant to any request or requirement of any Regulatory Authority, bank examiner or statutory auditor;

(d) Where the disclosure is or becomes public by no fault of the Manager, any of its affiliates or any of their respective partners, members, directors, officers, employees, representatives or agents; or

(e) Where disclosure is made to the Creditors' Committee or its advisors;

but in an event under paragraph (c) above, and unless precluded from doing so by applicable law or the obligation of immediate disclosure, the Manager shall give the Client, before making the disclosure, an opportunity to oppose the disclosure, and shall coordinate the wording of such disclosure with the Client (to the extent permitted by law). The Manager shall be entitled to disclose information received by the Client to the Manager's directors, employees, service providers and professional advisors wherever located with respect to this Agreement (provided that (i) such disclosure is for the purpose of supporting the provision of services under this Agreement and (ii) such directors, employees, service providers and professional advisors (A) are also bound by an obligation of confidentiality substantially similar to this Section 11 and (B) need to know such information for the purpose of supporting the provision of services under this Agreement).

12. Directions to the Manager. (a) All directions by or on behalf of the Client to the Manager shall be in writing signed by the persons set forth under "Authorized Person(s)" in the Client's Client Charter. The Manager shall be fully protected in relying upon any direction in accordance with the previous sentence with respect to any instruction, direction or approval of the Client, and shall be so protected also in relying upon a certification duly executed on behalf of the Client as to the names of persons authorized to act for it under the Client's Client Charter and in continuing to rely upon such certification until notified by the Client to the contrary.

(b) The Manager shall be fully protected in acting upon any instrument, certificate or paper believed by it in good faith to be genuine and to be signed or presented by the proper persons or upon any statement contained in any such writing and may accept the same as conclusive evidence of the truth and accuracy of the statements therein contained.

13. Limitation of Liability. To the maximum extent permitted by law, neither the Manager nor any other Manager Indemnitee (as defined below) shall be liable to the Client for any expenses, losses, damages, liabilities, demands, charges and claims of any kind or nature whatsoever (including (x) any legal expenses and costs and expenses relating to investigating or defending any demands, charges and claims and (y) for the avoidance of any doubt, any demands, charges and claims brought by any creditor of the Client or its affiliates) (collectively, "Losses") arising out of any acts or omissions of the Manager, except to the extent that such Losses are the result of an act or omission taken or omitted by the Manager or any other Manager Indemnitee during the term of this Agreement that constitutes gross negligence, willful misconduct, bad faith, breach of fiduciary duty, material breach of any regulatory or legal requirements, fraud or a breach of Section 2(a)(vi), any material breach of any other provision of this Agreement or the Client's Client Charter. Expenses incurred by a Manager Indemnitee in defense or settlement of

any claim that may be subject to a right of indemnification hereunder shall be advanced by the Client prior to the final disposition thereof; provided that each Manager Indemnitee shall repay any such amounts advanced to such Manager Indemnitee if it is finally determined that such Manager Indemnitee is not entitled to indemnification. Without limitation, neither the Manager nor any other Manager Indemnitee shall be liable to the Client for Losses resulting from or in any way arising out of (i) any action of the Client or any Third-Party Custodian of the Client or any of their other agents or advisers (other than the Manager, the Manager Indemnitees and any person or entity to whom the Manager has delegated its authority), (ii) any action of the Manager, following any direction of the Client or the Manager's failure to follow any unlawful direction of the Client, provided, that if the Manager knew or should have known that such direction was unlawful or would reasonably result in such Losses, the Manager so informed the Client, (iii) force majeure events beyond the control of the Manager, including any failure, default or delay in performance resulting from computer or other electronic or mechanical equipment failure, unauthorized access, strikes, failure of common carrier or utility systems, severe weather or breakdown in communications, in each case not reasonably within the control of the Manager or other causes commonly known as "acts of god", whether or not any such cause was reasonably foreseeable, (iv) following reasonable written notice from the Manager of its obligation to perform, any failure or default by the Client to perform on any commitment it has with respect to any of its Managed Assets, including any capital commitment subject to draw-down, or (v) general market conditions unrelated to any violation of this Agreement or the Client's Client Charter by the Manager. The Manager gives no warranty as to the performance or profitability of the Client's Managed Assets, nor any guarantee that the investment objectives, expectations or targets described in this Agreement and/or as set forth in the Client's Client Charter will be achieved, including any risk control, risk management or return objectives, expectations or targets. The Managed Assets of the Client may suffer losses and income, if any, may fluctuate. Neither the Manager nor any other Manager Indemnitee shall be responsible for the performance by any person not affiliated with the Manager of such person's obligations in executing, completing or satisfying such person's obligations, except as provided in the penultimate sentence of Section 2(b) hereof. Other than its responsibilities with respect to the Managed Assets of the Client as described herein and in the Client's Client Charter, the Manager shall have no responsibility whatsoever for the management of any other assets of the Client and shall incur no liability for any Losses which may result from the management of such other assets. Nothing herein shall constitute a waiver or limitation of any rights which the Client may have, if any, under any applicable U.S. federal and state securities laws and that may not be waived.

14. Indemnification.

(a) The Client shall reimburse, defend, indemnify and hold harmless the Manager, its affiliates and their partners, members, directors, officers and employees and any person controlled by or controlling the Manager ("Manager Indemnitees") for, from and against any and all Losses (i) relating to (x) any misrepresentation or act or omission or alleged act or omission on the part of the Client or any Third-Party Custodian or any of their other agents or advisers of the Client or (y) any act or omission taken in conformity with

the instructions given by the Client with respect to any matter; or (ii) arising out of or relating to a Manager Indemnitee's acts, omissions, transactions, duties, obligations or responsibilities arising pursuant to this Agreement in respect of the Client's Managed Assets, unless, in the case of this clause (ii), a court of competent jurisdiction (or similar tribunal) has issued a final, non-appealable decision, judgment or order that such Manager Indemnitee's conduct constituted gross negligence, willful misconduct, bad faith, breach of fiduciary duty, material breach of any regulatory or legal requirements, fraud or a breach of Section 2(a)(vi) or any material breach of any other provision of this Agreement or the Client's Client Charter.

(b) The Manager shall reimburse, defend, indemnify and hold harmless the Client, its affiliates and their partners, members, directors, officers and employees and any person controlled by or controlling such ("Client Indemnitees") for, from and against any and all Losses arising out of or relating to a Manager Indemnitee's acts, omissions, transactions, duties, obligations or responsibilities arising pursuant to this Agreement in respect of the Client's Managed Assets, provided that a court of competent jurisdiction (or similar tribunal) has issued a final, non-appealable decision, judgment or order that such Manager Indemnitee's conduct constituted gross negligence, willful misconduct, bad faith, breach of fiduciary duty, material breach of any regulatory or legal requirements, fraud or a breach of Section 2(a)(vi) or any material breach of any other provision of this Agreement or the Client's Client Charter.

15. Non-Exclusive Management. The Client acknowledges and agrees that this advisory relationship is not exclusive and that the Manager may furnish investment and asset management and advisory services to others, and that the Manager shall be at all times free, in its discretion, to make recommendations to others which may be the same as, or may be different from those made to or on behalf of the Client. The Client further understands that the Manager, its affiliates, and any officer, director, stockholder, employee or any member of their families may or may not have an interest in securities or assets in respect of which transactions may be recommended by the Manager. Actions with respect to assets of the same kind may be the same as or different from the action which the Manager, or any of its affiliates, or any officer, director, stockholder, employee or any member of their families, or other investors may take with respect thereto.
16. Effective Period of Agreement and Amendments. This Agreement shall become effective on the date hereof. Any amendment to this Agreement shall be written and signed by the Manager and the Client, provided, that such amendment shall only be binding on and enforceable against the Client if such amendment shall have been duly signed by the Client. Any material amendment, modification, supplement or waiver to this Agreement proposed to be made prior to the Termination Date shall require the prior approval of the Creditors' Committee and the Bankruptcy Court. The Client has the right at any time and from time to time to amend, modify or change the Client's Client Charter by written notice to the Manager. Notwithstanding any other provision hereof, this Agreement may be amended by the Manager, in its sole discretion, and without the consent of the Client to update the identity of the "Notice Recipients" of the Manager set forth in the Client's Client Charter where such persons have been changed by the Manager by written notice to the Client.

17. Duration and Termination. (a) This Agreement shall continue in full force and effect in respect of the Client for an initial term of three years, subject to automatic renewal on an annual basis thereafter (the “Term”) unless (i) terminated by the Client earlier for “Cause,” pursuant to Section 17(b) below, (ii) terminated by the Client earlier, in whole or in part, pursuant to Section 17(c) below or (iii) terminated by the Client effective as of the date of any automatic renewal of the Term by providing written notice of such termination to the Manager at least 90 days prior to the beginning of such automatic renewal term.
- (b) Following a determination of Cause (as defined below), the Client may terminate this Agreement on not less than 30 days notice to the Manager; provided that the Client will continue to pay all fees, costs and expenses pursuant to Section 9 above through the end of such 30 day notice period. “Cause” shall mean a finding by any court or governmental body of competent jurisdiction in a final judgment of gross negligence, willful misconduct, bad faith, breach of fiduciary duty, material breach of any regulatory or legal requirements, or fraud by the Manager in the performance of its services hereunder, or a breach by the Manager of Section 2(a)(vi) or any material breach of any other provision of this Agreement or the Client’s Client Charter.
- (c) The Client shall have the right to terminate this Agreement and its obligations hereunder with respect to all or any portion of its Managed Assets at any time upon 60 days notice to the Manager without Cause; provided that the Client will continue to pay (i) all fees, costs and expenses pursuant to Section 9 above through the end of such 60 day notice period and as provided in Appendix F and (ii) any costs for terminating any related Bona Fide Hedging Transactions or other contracts related to such Managed Asset, any salary, severance, occupancy payments (e.g., rent and other lease payments), costs of service providers and vendors and other overhead expenses of the Manager (including, for the avoidance of doubt, any “Personnel and Non-Personnel Expenses”, as set forth in Appendix F with respect to the related Asset Class or Asset Classes, and other reimbursable expenses) that were allocated in good faith by the Manager to the performance of the services for the Client that were so terminated or which are incurred by the Manager in respect of the terminated services or the termination of the relevant Managed Asset in response to such termination.
- (d) Termination of the Manager’s discretionary authority hereunder with respect to the Client and the Client’s Managed Assets, including the termination of the power of attorney and proxy set forth in Section 2(c), shall be effective immediately upon the Client’s delivery of written notice of termination to the Manager; provided that, to the extent applicable with respect to any Managed Assets, the Client shall honor any trades or other transactions entered into but not settled, closed or consummated, as applicable, before the date of any such termination. Sections 2(c) and (d), 3, 9 (in respect of expenses incurred through the date of termination), 11, 12, 13, 17, 18, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29 and 30 shall survive the termination of this Agreement.
- (e) The Client hereby agrees that during the period from the date of this Agreement until the earlier of (i) one year after termination or assignment of this Agreement with respect to all or any portion of its Managed Asset, or (ii) six months after the Termination

Date, it shall not solicit or seek to induce or encourage or actually induce or encourage any person who is employed by the Manager or its affiliates and who is primarily involved with the management of the related Asset Class at any time during such period to discontinue his or her employment with the Manager or its affiliates, and shall not hire or employ any such person or any other investment advisor or manager that has so solicited, induced or encouraged any such person.

(f) In the event of any termination of this Agreement by the Client prior to the Termination Date, in whole or in part, pursuant to any provision of this Section 17 in respect of its Managed Assets within one or more Asset Classes whereby such termination necessitates internal reallocation by the Client of the Management Fees allocated to the entity or entities listed on Schedule A in respect of each such Asset Class (pursuant to the allocation methodology set forth on Appendix F) such that the Management Fee allocable to any such entity or entities is increased by an amount equal to three percent (3%) or more per annum, the Client shall provide written notice of such increase in allocated fees, as soon as practicable, to the Creditors' Committee attaching a description of the effect of such termination on the fees allocated by the Client to any other entity or entities listed on Schedule A in respect of each such Asset Class.

(g) In the event of any termination of this Agreement by the Client in respect of the Managed Assets, the Manager shall cooperate on good faith in transitioning investment and management of such Managed Assets to an investment manager or other person or entity designated by the Client.

18. Independent Contractor Status. The Manager shall, for all purposes, be an independent contractor. Except as authorized by this Agreement, the Manager shall have no authority to act for or represent the Client in any way and shall not be deemed an agent of the Client. The Client and the Manager agree that, by entering into this Agreement, they do not form a partnership for any purpose and shall not be deemed to be partners in a joint venture or members of a joint enterprise in the conduct of any business. The amounts paid by the Client to the Manager pursuant to this Agreement constitute compensation for asset management, investment management and administrative and custodial services rendered by the Manager to the Client.
19. Assignment. No assignment (as that term is defined in the Advisers Act) of this Agreement by the Manager in respect of Managed Assets of the Client may be made without the prior written consent of the Client and the Creditors' Committee, and any such assignment made without such consent shall be null and void for all purposes; provided that any such assignment proposed to made on or after the Termination Date shall not require prior written consent of the Creditors' Committee; and provided further that, unless otherwise required by the Advisers Act (i) the Manager may be reconstituted or reorganized into any other form of business entity and (ii) nothing in this Agreement shall preclude changes in the composition of the direct or indirect members of the Manager, that do not result in an assignment (as that term is defined in the Advisers Act). The Client may assign this Agreement (a) with the consent of the Manager (such consent not to be unreasonably withheld), (b) without the consent of the Manager as required pursuant to an order issued in connection with the Bankruptcy Case or (c) to any

successor or purchaser in connection with (i) a merger of the Client or (B) a sale of all or substantially all of the assets of the Client. Subject to the foregoing, this Agreement shall inure to the benefit of and be binding upon the parties hereto, their successors and permitted assigns.

20. No Third Party Beneficiaries. This Agreement is solely for the benefit of the parties hereto (and with respect to the provisions of Sections 14 and 19 hereof, Manager Indemnitees and permitted assignees, respectively) and the entities set forth on Schedule A, and should not be deemed to confer upon any other third parties (including any creditor of the Client or its affiliates other than the Creditors' Committee which shall, until the Termination Date, be a third-party beneficiary of this Agreement with rights to enforce the obligations of the parties hereto) any remedy, claim, liability, reimbursement, claim of action or other right.
21. Fiduciary Duties. Notwithstanding anything to the contrary set forth herein, (i) the services to be provided by the Manager hereunder in respect of Managed Assets owned by an entity listed on Schedule A hereto shall be provided for the benefit of such entity listed on Schedule A hereto and (ii) the duties set forth in this Agreement owed to the "Client" in respect of the services to be provided by the Manager for the benefit of such entity listed on Schedule A hereto, including without limitation the duties of the Manager set forth in Sections 2(a)(vi) and 7(b), shall be owed by the Manager to such entity listed on Schedule A hereto as if such entity listed on Schedule A hereto was the "Client".
22. Severability. Any term or provision of this Agreement which is invalid or unenforceable in any applicable jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms or provisions of the Agreement in any jurisdiction.
23. Submission to Jurisdiction; Consent to Service of Process. (a) Without limiting any party's right to appeal any order of the Bankruptcy Court, (i) the Bankruptcy Court shall retain exclusive jurisdiction to enforce the terms of this Agreement and to decide any claims or disputes which may arise or result from, or be connected with, this Agreement, any breach or default hereunder, or the transactions contemplated hereby, and (ii) any and all proceedings related to the foregoing shall be filed and maintained only in the Bankruptcy Court and the parties hereby consent to and submit to the jurisdiction and venue of the Bankruptcy Court and shall receive notices at such locations as indicated in Section 27 hereof; provided, however, that if the Bankruptcy Case has closed, the parties agree to unconditionally and irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York sitting in New York County or the Commercial Division, Civil Branch of the Supreme Court of the State of New York sitting in New York County and any appellate court from any thereof, for the resolution of any such claim or dispute. The parties hereby irrevocably waive, to the fullest extent permitted by applicable law, any objection which they may now or hereafter have to the laying of venue of any such dispute brought in such court or any defense of inconvenient forum for the maintenance of such dispute. Each of the parties hereto agrees that a judgment in any such dispute may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law.

Management Fees Payable to LAMCO

Management Fees: The management fees for the Client will be calculated on an aggregate as well as Asset-Class-by-Asset-Class basis (the “Management Fees”) based on the then-current annual budget forecast of the estimated Personnel and Non-Personnel Expenses for the next quarterly period as of the last business day of the prior calendar quarter (the “Estimated Quarterly Fee Amount”).

Personnel and Non-Personnel Expenses: The fees, costs and expenses of the personnel performing the services in respect of each Asset Class as well as the fees, costs and expenses of the corporate personnel (e.g. information technology, administrative, etc.) and related non-personnel expenses (i.e., base salary, bonus, benefits, occupancy payments (i.e., rent and other lease payments), technology and infrastructure costs, third party servicing costs, etc.).

Payment Period: Quarterly in advance on the first Business Day of each calendar quarter based on the estimated amount provided by the Manager to the Client at least 5 business days prior to the applicable payment date.

True-up and Reimbursement: The Estimated Quarterly Fee Amount will be subject to a true-up to actual amounts of underpayments or reimbursement of overpayments, as applicable, during the quarter with another true-up of underpayments or reimbursement of overpayments, as applicable, which the parties shall use commercially reasonable efforts to make within 30 business days and in any event no later than 90 business days after the end of the applicable quarterly period based on actual Personnel and Non-Personnel Expenses for such period, as determined in good faith by the Manager and with appropriate and reasonable supporting documentation if requested by the Client.

Invoices and Allocations: Manager will invoice the Client for the Estimated Quarterly Fee Amount and related true-ups and reimbursements; and the Client shall be responsible for the payments of such invoices to the Manager. For the avoidance of doubt, the obligations to pay the Management Fee to the Manager pursuant to this Agreement shall be obligations solely of the Client and not any of the entities listed on Schedule A.

Maintaining Aggregate Fee Payment for Six (6) Months upon Termination. In the event that the Client terminates all or a part of its Managed Assets with the Manager, the Client will continue to pay the aggregate Management Fees to the Manager, less reductions in Personnel and Non-Personnel Expenses related to such termination, for a period of six (6) months and will internally reallocate such Management Fees in accordance with the section below entitled “Reallocation of the Management Fee Resulting from a Termination by the Client”.

Internal Allocation of Management Fee by the Client

Internal Allocation of Management Fee by the Client

The Client shall be responsible for internal allocations of such amounts among the Client and the entities listed on Schedule A in accordance with the “Client Allocation Methodology” section below.

Client Allocation Methodology

The Management Fee will be internally allocated among the Client and the entities listed on Schedule A by the Client based on the allocation methodology currently utilized by the Client, which was previously reviewed by the Creditors’ Committee and its advisors. Such allocation methodology may be subject to revision by the Client after review by the Creditors’ Committee and its advisors.

Reallocation of the Management Fee Resulting from a Termination by the Client

In the event that the Client terminates all or a part of its Managed Assets with the Manager, the Client will continue to pay the aggregate Management Fees to the Manager for a period of six (6) months and

the Client and/or any of the entities listed on Schedule A, as applicable, will continue to be allocated its share of the Management Fees, less reductions in Personnel and Non-Personnel Expenses related to such termination, for a period of six (6) months from the date of such termination, and, thereafter, such Management Fees shall be internally reallocated among the Client and the entities listed on Schedule A in accordance with the Client Allocation Methodology taking proper account of such termination.

New Clients

In the event that Manager engages with a New Client, the allocation of Personnel and Non-Personnel Expenses will be allocated as between the Client and the New Client based on a fair and reasonable methodology based on the facts and circumstances at the relevant time and which will fairly reflect the usage of time and resources dedicated to the Client, on the one hand, and the New Client, on the other hand, and such methodology will be, prior to the Termination Date, subject to prior review and approval by the Creditors' Committee.

Except with respect to Services being migrated to or from a third party service provider during the Benchmark Period, the scope of each Service shall be substantially the same as the scope of such service provided in the ordinary course during the Benchmark Period. All Services shall be for the sole use and benefit of the respective Recipient, and any of such Recipient’s customers or clients in their respective capacities as customer or client.

(b) Each Service shall include, and the Service Charges (as defined herein) reflect charges for, such maintenance, support, error correction, updates and enhancements normally and customarily provided by the relevant Provider internally or to its Affiliates that receive such service. Each Service shall include all functions, responsibilities, activities and tasks, and the materials, documentation, resources, rights and licenses to be used, granted or provided by the relevant Provider that are not specifically described in this Agreement as a part of such Service, but are incidental to, and would normally be considered an inherent part of, or necessary subpart included within, such Service or are otherwise necessary for such Provider to provide, or the Recipient to receive, such Service.

(c) Throughout the term of this Agreement, each Provider and each Recipient of any Service shall cooperate with one another and use their good faith and commercially reasonable efforts to effect the efficient, timely and seamless provision and receipt of such Service.

(d) Each Recipient shall be entitled to retain contractors or consultants to use the Services on behalf of the Recipient.

(e) This Agreement shall not assign any rights to technology or intellectual property between the parties hereto.

behalf with respect to matters relating to this Agreement. The LBHI Services Manager will work with the personnel of LBHI to periodically address issues and matters raised by LAMCO relating to this Agreement. Notwithstanding the requirements of Section 9.05, all communications from LAMCO to LBHI pursuant to this Agreement regarding routine matters involving the LBHI Services shall be made through the LBHI Services Manager, or such other individual as specified by the LBHI Services Manager in writing and delivered to LAMCO by email or facsimile transmission with receipt confirmed. LBHI shall reasonably promptly notify LAMCO of the appointment of a different LBHI Services Manager, if necessary, in accordance with Section 9.05.

(b) LAMCO hereby appoints [●] to act as its initial services manager (the “LAMCO Services Manager”), who will be directly responsible for coordinating and managing the delivery of the LAMCO Services and receipt of the LBHI Services and have authority to act on LAMCO’s behalf with respect to matters relating to this Agreement. LAMCO shall reasonably promptly notify LBHI of the appointment of a different LAMCO Services Manager, if necessary, in accordance with Section 9.05.

Section 2.03 Personnel. The Provider will have the right, in its sole discretion, to (i) designate which personnel it will assign to perform Services, and (ii) remove and replace such personnel at any time.

Section 2.04 Performance and Receipt of Services. The following provisions shall apply to the Services:

(a) Security and Privacy. Each Provider and Recipient shall at all times comply with its own then in-force security guidelines and policies applicable to the performance, access and/or use of the Services and Information Systems, provided that in the case of LAMCO, such security guidelines and policies shall be no less stringent than those of LBHI as of the Effective Date. Where a Provider or Recipient receives access to the other party’s Information Systems, then it shall also comply with such other party’s security guidelines and policies. The Parties shall further cooperate to implement any firewalls or other security restrictions as may be required by applicable law or prudent risk mitigation procedures to separate access between data of one client and data of another client.

(b) No Viruses. Each of LAMCO and LBHI shall take commercially reasonable measures to ensure that no Viruses or similar items are coded or introduced into the Services or Information Systems. If a Virus is found to have been introduced into the Services or Information Systems, the parties hereto shall use their commercially reasonable efforts to cooperate and to diligently work together to eliminate the effects of such Virus.

(c) Reasonable Care. Each Provider and Recipient shall exercise reasonable care in providing and receiving the Services to (i) prevent access to the Services or Information Systems by unauthorized Persons and (ii) not damage, disrupt or interrupt the Services or Information Systems.

Section 2.06 Superseding Provisions. Notwithstanding anything to the contrary contained in this Agreement:

(b) the Provider shall not be responsible for any failure to provide Services hereunder to the extent arising from (i) the Recipient's operations or systems or otherwise by the acts or omissions of the Recipient or individuals acting on its behalf, (ii) a third party's failure to provide such Services, provided that the Provider has used commercially reasonable efforts to mitigate the effect of such failure, or (iii) the failure of Recipient or its Affiliates to provide Services to Provider.

ARTICLE 3

ADDITIONAL AGREEMENTS AND ARRANGEMENTS

Section 3.01 Computer-Based Resources. Each party (the "Accessing Party") shall continue to have access to the Information Systems of the other party (the "Providing Party"), to the extent such access to such Information Systems was available to the Accessing Party immediately prior to the Closing and remains necessary for the Accessing Party to operate its business; provided, that (a) the LBHI Entities may take reasonable measures to restrict access by the LAMCO Entities to any systems or data unrelated to the Asset Management Business, (b) the LAMCO Entities may take reasonable measures to restrict access by the LBHI Entities, to any systems or data unrelated to the LBHI Business, and (c) such continued access shall be subject to the Accessing Party complying with all reasonable security measures implemented by the Providing Party as deemed necessary by such Providing Party to protect its Information Systems.

Section 3.02 Termination of Support. Each Provider shall provide the Recipient with notice as soon as practicable in the event that such Provider receives notice from any third

party provider of material software used in the provision of any Service that such third party provider intends to cease supporting such software.

Section 3.03 Access. Each Recipient will allow the relevant Provider and its Representatives reasonable access to the facilities and personnel of the Recipient, and shall provide such other reasonable cooperation and assistance, at the Recipient's cost, necessary for the performance of the Services for the Provider to fulfill its obligations under this Agreement.

Section 3.04 Third Party Contracts. Each of LBHI and LAMCO acknowledges that (i) the other is party to certain third party contracts used in the provisions of certain of the Services (each a "Third Party Contract") and (ii) any party to a Third Party Contract shall make all decisions, in its sole discretion, regarding whether to renew or terminate (including early termination) each such Third Party Contract; provided, however, that such terminating party shall notify the Recipient of the related Service of any such decision to elect not to renew or to terminate any such Third Party Contract and the terminating party shall not incur any incremental obligation for Termination Charges that could be passed through to the other party hereunder without the other party's prior written consent, not to be unreasonably withheld, conditioned or delayed. All Services dependent on rights or services obtained under Third Party Contracts shall be rendered in a manner consistent with (and shall be subject to any limitations imposed in) the relevant Third Party Contract.

Section 3.05 Advisors. LAMCO will reimburse LBHI for the costs incurred by LBHI in relation to work performed by employees of LBHI's advisors for the benefit of LAMCO.

ARTICLE 4

COSTS AND DISBURSEMENTS; PAYMENTS; AUDITS

Section 4.01 Costs and Disbursements; Payments.

(a) Any Service to be provided by any Provider hereunder shall be charged to the Recipient thereof (such charges, the "Service Charges") at, except as set forth on any of the Schedules hereto, a cost equal to the Provider's fully-loaded costs and expenses for providing such Service (including in such fully-loaded costs and expenses (x) an allocation for overhead costs to the extent directly related to providing the Services, (y) the amount of the actual payments made by the Provider to third-party providers for providing Services, and (z) associated overhead costs relating to the Services provided by such third party providers, in each case without any markup for profit margins). For purposes of this Agreement, "fully-loaded costs" shall include all cash and non-cash expenses in respect of employee payroll and benefits, occupancy, information technology infrastructure (e.g., software, hardware, data centers, storage, cabling and connectivity including the related maintenance, depreciation and amortization), personal technology (e.g., help desk, desktops, desktop applications, blackberries, cell phones, and voice handsets including the related maintenance, depreciation and amortization), all direct non-personnel expenses, and the cost of direct management of the Services and related personnel.

For the avoidance of doubt, Service Charges shall not include any amounts owed by a party (whether to third parties or Affiliates) prior to the Closing Date.

For the avoidance of doubt, Service Charges may increase or decrease, including as a result of (i) an increase or decrease in the amount of such Services being provided to the Recipient (as compared to the amount of the Services underlying the determination of a Service Charge), (ii) an increase or decrease in the rates or charges imposed by any third-party provider that is providing goods or services used by the Provider in providing the Services (as compared to the rates or charges underlying a Service Charge), (iii) an increase or decrease in the payroll or benefits for any employees used by the Provider in providing the Services, or (iv) any increase or decrease in costs relating to any changes requested by the Recipient in the nature of the Services provided (including relating to newly installed products or equipment or any upgrades to existing products or equipment).

(b) The Provider shall deliver an invoice to the Recipient on a monthly basis (or, at the option of the Provider, at such other frequency as is consistent with the basis on which the Service Charges are determined and, if applicable, charged to Affiliates of the Provider) in arrears for the Service Charges due to the Provider under this Agreement. The Recipient shall pay the amount of such invoice by wire transfer or check to the Provider within thirty (30) days of the date of such invoice as instructed by the Provider. If the Recipient fails to pay such amount by such date, the Recipient shall be obligated to pay to the Provider, in addition to the amount due, interest at an interest rate of 1% per month, compounded monthly, accruing from the date the payment was due through the date of actual payment. As soon as practicable after receipt of any reasonable written request by the Recipient, the Provider shall provide the Recipient with data and documentation reasonably satisfactory to the Recipient supporting the calculation of a particular Service Charge for the purpose of verifying the accuracy of such calculation. If, after reviewing such data and documentation, the Recipient disputes the Provider's calculation of any amount due to the Provider, then the dispute shall be resolved pursuant to Section 7.01.

Section 4.02 Audits. Each Recipient shall have the right at reasonable times and on reasonable advance notice to review, or to have an independent third party accounting firm review, the books and records of each relevant Provider with respect to the performance of Services hereunder and to confirm the accuracy of the Service Charges hereunder, in each case subject to reasonable security and confidentiality restrictions. All records reviewed in connection with such review shall be held in strict confidence by the auditor. Any audit shall be at the sole expense of the requesting Recipient except that if any audit reveals an overcharge of five percent (5%) or more, the relevant Provider shall reimburse the Recipient for its reasonable out-of-pocket costs of such audit.

ARTICLE 5

STANDARD FOR SERVICE; COMPLIANCE WITH LAWS

Section 5.01 Standard for Service. Subject to the terms and conditions of this Agreement, the Provider agrees to perform the Services such that the nature, quality, standard of care and the service levels at which such Services are performed are no less than the nature,

quality, standard of care and service levels at which the substantially same services were performed for the Recipient or its predecessor prior to the Closing Date in the ordinary course of business during the Benchmark Period (except with respect to Services being transitioned from or to a third party service provider during the Benchmark Period in which case the standard shall be established by mutual agreement of the parties within a reasonable time following such transition).

Section 5.02 Professional and Workmanlike Fashion. Without limiting the warranty in Section 5.01, each Provider agrees to perform Services in a professional and workmanlike fashion.

Section 5.03 Disclaimer of Warranties. Except as expressly set forth herein, the parties hereto acknowledge and agree that the Services are provided as-is, that the applicable Recipient assumes all risks and liabilities arising from or relating to its use of and reliance upon the Services and each Provider makes no representation or warranty with respect thereto. EXCEPT AS EXPRESSLY SET FORTH HEREIN, EACH PROVIDER HEREBY EXPRESSLY DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES REGARDING THE SERVICES, WHETHER EXPRESS OR IMPLIED, INCLUDING ANY REPRESENTATION OR WARRANTY IN REGARD TO QUALITY, PERFORMANCE, NONINFRINGEMENT, COMMERCIAL UTILITY, MERCHANTABILITY OR FITNESS OF THE SERVICES FOR A PARTICULAR PURPOSE.

ARTICLE 6

INDEMNIFICATION; LIMITATION ON LIABILITY

Section 6.01 Indemnification of Each Provider by the Relevant Recipient. Subject to the limitations set forth in this Article 6, each Recipient shall indemnify and hold harmless each relevant Provider and its Affiliates and their respective officers and directors (each, a “Provider Indemnified Party”) from and against any and all loss, liability, claim, damage or expense (including legal fees and expenses) (“Losses”) to the extent owed to third parties, and reimburse each relevant Provider Indemnified Party for all expenses as they are incurred, whether or not in connection with pending litigation and whether or not any Provider Indemnified Party is a party, arising out of any claim by a third party to the extent caused by, resulting from or in connection with any of the Services rendered or to be rendered by or on behalf of such Provider pursuant to this Agreement, the transactions contemplated by this Agreement or such Provider’s actions or inactions in connection with any such Services or transactions; provided that such Recipient shall not be responsible for any Losses of such Provider Indemnified Party to the extent that such Loss is caused by, results from, or arises out of or in connection with a Provider Indemnified Party’s gross negligence or willful misconduct in connection with any such Services or transactions, actions or inactions related thereto.

Section 6.02 Indemnification of Each Recipient by the Relevant Provider. Subject to the limitations set forth in this Article 6, each Provider shall indemnify and hold harmless each relevant Recipient and its Affiliates and their respective officers and directors (each, a “Recipient Indemnified Party”) from and against any and all Losses to the extent owed to third parties, and reimburse each relevant Recipient Indemnified Party for all expenses as they

are incurred, whether or not in connection with pending litigation and whether or not any Recipient Indemnified Party is a party, arising out of any claim by a third party to the extent caused by, resulting from or in connection with such Provider's gross negligence, willful misconduct or breach of Section 5.02; provided that such Provider shall not be responsible for any Losses of such Recipient Indemnified Party to the extent that such Loss is caused by, results from, or arises out of or in connection with a Recipient Indemnified Party's gross negligence or willful misconduct.

Section 6.03 Limited Liability of a Provider. Notwithstanding Article 5 or anything else to the contrary contained herein, no Provider Indemnified Party shall have any liability in contract, tort or otherwise, for or in connection with any Services rendered or to be rendered by any Provider Indemnified Party pursuant to this Agreement, the transactions contemplated by this Agreement or any Provider Indemnified Party's actions or inactions in connection with any such Services or transactions, to any Recipient Indemnified Party, except for a breach of Section 5.02 or to the extent that any such Recipient Indemnified Party suffers a Loss that results from such Provider Indemnified Party's gross negligence or willful misconduct in connection with any such Services or transactions, actions or inactions related thereto.

Section 6.04 Limited Liability of a Recipient. Notwithstanding Article 5 or anything else to the contrary contained herein, no Recipient shall have any liability in contract, tort or otherwise, for or in connection with the transactions contemplated by this Agreement or such Recipient's actions or inactions in connection with any Services or transactions, to any Provider, except (a) to the extent that any such Provider suffers a Loss that results from such Recipient's gross negligence or willful misconduct in connection with any such transactions, actions or inactions related thereto or (b) to the extent owed pursuant to Recipient's indemnification obligations in Section 6.01.

Section 6.05 Additional Limitation on Liability.

(a) Notwithstanding any other provision contained in this Agreement, no party hereto shall be liable for any exemplary, special, indirect, punitive, incidental or consequential losses, damages or expenses, including any damages due to business interruption or loss of profits, except to the extent arising from or relating to such party's gross negligence or willful misconduct.

(b) Except for the indemnification obligations set forth in Section 6.01, the aggregate liability and indemnification of each of LBHI and LAMCO (or their respective assignees in accordance with Section 9.10) with respect to this Agreement shall not exceed, in the aggregate, the aggregate amount of Service Charges paid hereunder to LBHI or LAMCO (or such respective assignees), as the case may be.

Section 6.06 Liability for Payment Obligations. Nothing in this Article 6 shall be deemed to eliminate or limit, in any respect, a party's express obligation in this Agreement to pay or reimburse, as applicable, for (i) Termination Charges, (ii) Service Charges for Services rendered in accordance with this Agreement or (iii) other costs and expenses to the extent expressly provided herein.

Section 6.07 Obligations Several and Not Joint. As between a Recipient and a permitted third-party assignee of the Recipient, the obligations of each such party under this Agreement shall be several and not joint.

Section 6.08 THE DISCLAIMER OF WARRANTY, LIMITATION OF LIABILITY AND OVERALL ALLOCATION OF RISK BETWEEN THE PARTIES ARE FUNDAMENTAL ELEMENTS OF THE BASIS OF THE BARGAIN BETWEEN THE PARTIES. EACH PROVIDER WOULD NOT BE ABLE OR WILLING TO PROVIDE THE SERVICES WITHOUT THE PROTECTIONS PROVIDED TO A PROVIDER PURSUANT TO SUCH PROVISIONS. IF ANY APPLICABLE COURT HOLDS ANY DISCLAIMER, LIMITATION OF LIABILITY OR ALLOCATION OF RISK CONTAINED IN THIS SECTION TO BE UNENFORCEABLE, THEN A PARTY'S LIABILITY WILL BE LIMITED TO THE FULLEST POSSIBLE EXTENT PERMITTED BY APPLICABLE LAW.

ARTICLE 7

DISPUTE RESOLUTION

Section 7.01 Dispute Resolution.

(a) In the event of any dispute, controversy or claim arising out of or relating to the transactions contemplated by this Agreement, or the validity, interpretation, breach or termination of any provision of this Agreement, or calculation or allocation of the costs of any Service, including claims seeking redress or asserting rights under any law (each, a "Dispute"), the parties hereto agree that the LBHI Services Manager and LAMCO Services Manager (or such other Persons as LBHI and LAMCO may designate) shall negotiate in good faith in an attempt to resolve such Dispute amicably. If such Dispute has not been resolved to the mutual satisfaction of LBHI and LAMCO within twenty (20) days after the initial notice of the Dispute (or such longer period as such parties may agree), then, a senior executive on behalf of LBHI and a senior executive on behalf of LAMCO shall negotiate in good faith in an attempt to resolve such Dispute amicably for an additional ten (10) days (or such longer period as such parties may agree). If such Dispute has not been finally resolved at the end of such ten-day period, then either party may pursue remedies in accordance with Section 9.11.

(b) In any Dispute regarding the amount of a Service Charge, if after such Dispute is finally adjudicated pursuant to the dispute resolution and/or judicial process set forth in Section 7.01(a) or Section 9.11, it is determined that the Service Charge that the Provider has invoiced the Recipient, and that the Recipient has paid to the Provider, is greater or less than the amount that the Service Charge should have been, then (i) if it is determined that the Recipient has overpaid the Service Charge, the Provider shall within five (5) Business Days after such determination reimburse the Recipient an amount of cash equal to such overpayment, plus 1% per month, compounded monthly, accruing from the date of payment by the Recipient to the time of reimbursement by the Provider and (ii) if it is determined that the Recipient has underpaid the Service Charge, the Recipient shall within five (5) Business Days after such determination reimburse the Provider an amount of cash equal to such underpayment, plus 1% per month, compounded monthly, accruing from the date such payment originally should have been made by the Recipient to the time of reimbursement by the Recipient.

ARTICLE 8

TERMINATION

Section 8.01 Term; Termination.

(a) This Agreement shall commence immediately upon the Closing Date and shall terminate upon the earliest to occur of (i) the mutual written agreement of the parties to terminate this Agreement in its entirety, (ii) the complete termination of the Asset Management Agreement or (iii) the third anniversary of the Closing Date. In addition, (x) a Recipient may from time to time terminate this Agreement with respect to any particular Service, in whole but not in part (1) for any reason or no reason upon providing at least ninety (90) days prior written notice to the Provider of such termination, subject to the obligation to pay Termination Charges, as provided for under Section 8.02, (2) if the Provider of such Service has failed to perform any of its material obligations under this Agreement with respect to such Service, and such failure shall continue to exist thirty (30) days after receipt by the Provider of written notice of such failure from the Recipient, or (3) immediately upon mutual written agreement of the parties hereto, and (y) a Provider may terminate this Agreement with respect to one or more Services, in whole but not in part, at any time upon prior written notice to the Recipient if the Recipient has failed to perform any of its material obligations under this Agreement relating to such Service or Services, and such failure shall be continued uncured for a period of thirty (30) days after receipt by the Recipient of a written notice of such failure from the Provider. In the event that the effective date of the termination of any particular Service is a day other than at the end of a billing period, the Service Charge associated with such Service shall be pro-rated appropriately.

(b) A Recipient may from time to time request a reduction in part of the scope or amount of any particular Service. If requested to do so by Recipient, the Provider agrees to discuss in good faith appropriate reductions to the relevant Service Charges in light of all relevant factors including the costs and benefits to the Provider of any such reductions. In the event that any particular Service is reduced other than at the end of a billing period, the Service Charge associated with such Service for the billing period in which such Service is reduced shall be pro-rated appropriately.

 - (i) make any change to the form of entity of the Company or any such Subsidiary or file an election to cause the Company or such Subsidiary to be classified as an association taxable as a corporation for U.S. federal income tax purposes, except that the Company may cause a Subsidiary that is a “foreign eligible entity” (within the meaning of Regulations Section 301.7701-3(b)(2)) to make an election, effective on the date of the entity’s formation, to be treated as an association taxable as a corporation for U.S. federal income tax purposes;

 - (iii) subject to Section 12(a)(i), commence any liquidation, dissolution or voluntary bankruptcy, administration, recapitalization or reorganization in any form of transaction, make any arrangements with creditors as part of a liquidation or bankruptcy, or consent to the entry of an order for relief in an involuntary case, or take the conversion of an involuntary case to a voluntary case, or consent to the appointment or taking possession by a receiver, trustee or other custodian for all or substantially all of its property, or otherwise seek the protection of any applicable bankruptcy or insolvency law;
 - (iv) enter into any merger or consolidation, whether to effect an acquisition, divestiture or otherwise other than any internal reorganization involving solely the Company and its Subsidiaries; *provided* that any such internal reorganization shall remain subject to

the approvals required under clause (i) of this Section 7(c) and Section 7(d) of this Agreement;

- (v) enter into any sale, lease or other conveyance of assets outside of the ordinary course of its business other than with respect to obsolete equipment;

 - (viii) make any loan or advance other than (a) ordinary-course advances to cover expenses of the Company or of any Manager, Officer, Authorized Person, agent or employee of the Company and (b) for or on behalf of clients of the Company;
 - (ix) guarantee, assume or incur indebtedness for borrowed money;
 - (x) make any material change to the scope or nature of its business and operations;
 - (xi) add the capacity, or otherwise agree, to manage assets in a new asset class to the extent that the addition of such asset class would require the hiring of additional personnel or the addition of infrastructure; or
 - (xii) incur non-reimbursable client development expenses that are not subject to reimbursement by a client other than pursuant to a budget approved by the UCC (at least once a year) the amount of which is expected to be approximately \$3.5 million per year.
- (d) Additional UCC Approval Rights Over LBHI and its Subsidiaries. Anything in this Agreement to the contrary notwithstanding, prior to the Termination Date, without the prior approval by the UCC, LBHI agrees that it shall not, and shall not permit any of its Affiliates (other than the Company and its Subsidiaries) or any of the directors, officers, or employees of LBHI or any of such Affiliates to, and no action shall be taken by the Company, the Board of Managers or by any Manager, Authorized Person, director, manager, officer, agent or employee of the Company or any of its Subsidiaries that would permit LBHI or any of such Affiliates to:

- (i) make any loan or advance to, make any capital contribution or other investment in, or guarantee any indebtedness of the Company or any of its Subsidiaries other than (A) the Cash Contribution, (B) the payment of obligations as and when due under the Asset Management Agreement, dated as of ____, 2010, between LBHI and certain of Subsidiaries party thereto and LAMCO or any successor asset management agreement or agreements, (C) the guarantee by LBHI of the Company's obligations under any of LAMCO's employment contracts existing on the date hereof and (D) the guarantee by LBHI of the obligations set forth on Schedule II hereto; provided, that LBHI may contribute, and cause LBHI SPV to contribute, to the Company, and the Company may contribute to one or more Subsidiaries, assets otherwise permitted to be contributed pursuant to the Contribution Agreement; or
 - (ii) take or permit any other Person to take any action that would result in LBHI and its Subsidiaries (other than the Company and its Subsidiaries) owning directly or indirectly less than 100% of the Company's or any of its Subsidiaries' Equity Securities.
- (e) Board of Managers. The Board of Managers shall have [] Managers or such other number as the Members shall determine by a vote of a Majority in Interest of the Members; *provided* that at least a majority of the Board of Managers shall at all times be comprised of LBHI personnel (the "LBHI Designees"). Until the Termination Date, the UCC shall have the right to require that an independent person be appointed as a member of the Board of Managers; Such independent person shall be selected by the UCC; provided, however, that the appointment of such independent person ~~to be selected by mutual agreement between LBHI and the UCC~~ shall require prior approval of LBHI, which approval shall not be unreasonably withheld. The Board of Managers shall initially be composed of the following individuals:

[]
[]
[]

Vacancies on the Board of Managers or any committee thereof from whatever cause shall be filled by a vote of a Majority in Interest of the Members. Managers shall serve until they resign, die, become incapacitated or are removed. Managers can be removed with or without cause by a vote of a Majority in Interest of the Members. Determinations to be made by the Managers or a committee thereof in connection with the conduct of the business of the Company shall be made by affirmative vote of the majority of the Managers or members of such committee then in office unless otherwise specifically provided herein or in the LLC Act.

- (f) Committees. The Board of Managers may designate one or more committees, each committee to consist of three or more of the Managers of the Company, and

LBHI Designees shall at all times constitute at least a majority of each such committee. The Board of Managers may designate one or more Managers as alternate members of any committee, who may replace any absent or disqualified member at any meeting of the committee, provided that at least a majority of such committee continues to be comprised of LBHI Designees. Any such committee, to the extent provided in the resolution designating such committee and subject to any restrictions on the Board of Managers as provided herein, shall have and may exercise all of the powers of the Board of Managers in the management of the business and affairs of the Company; *provided, however*, that only the Board of Managers (subject to prior approval of the UCC as set forth herein) shall have power or authority in reference to (i) amending the Certificate of Formation of the Company, (ii) adopting an agreement of merger or consolidation, recommending to the Members the sale, lease or exchange of all or substantially all of the Company's property and assets, (iii) recommending to the Members a dissolution of the Company or a revocation of a dissolution or (iv) declaring a distribution or authorizing the issuance of any Equity Securities (unless in the case of clause (iv), the Board of Managers expressly resolves to delegate such power to a committee). Such committee or committees shall have such name or names as may be determined from time to time by resolution adopted by the Board of Managers. Each committee shall keep regular minutes of its meetings and report the same to the Managers.

- (g) Place of Meetings and Meetings by Telephone. All meetings of the Board of Managers and any committee may be held at any place that has been designated from time to time by resolution of the Board of Managers or the members of such committee. In the absence of such a designation, regular meetings shall be held at the principal place of business of the Company. Any meeting, regular or special, may be held by conference telephone or similar communication equipment as long as all Managers participating in the meeting can hear one another, and all Managers participating by telephone or similar communication equipment shall be deemed to be present in person at the meeting.
- (h) Regular Meetings. Regular meetings of the Board of Managers shall be held at least once per year at such times and at such places as shall be fixed by the Board of Managers.
- (i) Special Meetings. Special meetings of the Board of Managers for any purpose or purposes may be called at any time by a Majority in Interest of the Members or any LBHI Designee. Notice of the time and place of a special meeting shall be delivered personally or by telephone to each Manager and sent by first-class mail, by telecopy (or by Electronic Transmission) or by nationally recognized overnight courier, charges prepaid, addressed to each Manager at that Manager's address as it is shown on the record of the Company. In case the notice is mailed, it shall be deposited in the United States mail at least five (5) calendar days before the time of the holding of the meeting. In case the notice is delivered personally or by telephone or by telecopy (or by Electronic Transmission) or overnight courier, it shall be given at least two (2) calendar days before the time of the holding of the

meeting. Any oral notice given personally or by telephone may be communicated either to the Manager or to a person at the office of the Manager who the person giving the notice has reason to believe will promptly communicate it to the Manager. The notice need not specify the purpose of the meeting.

- (j) UCC Observers. Prior to the Termination Date, the UCC shall have the right to designate not more than two Observers to attend any meeting of the Board of Managers or any committee thereof. The Company shall provide the Observer notice of every meeting of the Board of Managers and committee thereof on the same date and in the same manner as notice is given to the Managers or committee members, as applicable, at the address designated by each Observer. The Observers will be entitled to receive all written materials and other information delivered to the Managers and committee members in connection with each such meeting and each action taken pursuant to clause (m) below on the same date that such materials and information are delivered to the Managers or committee members, as applicable. Notwithstanding the foregoing, prior to the receipt of such materials and information, each Observer shall enter into a confidentiality agreement in a form reasonably acceptable to the Company and the UCC with respect to any meeting of the Board of Managers or any written materials or other information received by any Observer in connection therewith.
- (k) Waiver of Notice. Notice of any meeting need not be given to any Manager who either before or after the meeting signs a written, or transmits by Electronic Transmission, a waiver, of notice, consent to holding the meeting, or approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All such waivers, consents, and approvals shall be filed with the records of the Company or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any Manager who attends the meeting without protesting before or at its commencement the lack of notice to that Manager.
- (l) Adjournment. A majority of the Managers present may adjourn any meeting to another time and place. Notice of the time and place of holding an adjourned meeting need not be given unless the meeting is adjourned for more than forty-eight (48) hours, in which case notice of the time and place shall be given before the time of the adjourned meeting in the manner specified in subsection (i) of this Section 7.
- (m) Action Without a Meeting. Any action to be taken by the Board of Managers or any committee at a meeting may be taken without such meeting by the written consent or consent by Electronic Transmission of a majority of the Managers or members of such committee then in office, except to the extent that the vote of a higher number of Managers is required by this Agreement or applicable law. Any written consent may be executed and given by facsimile, telecopy or similar means. Such written consents and consents by Electronic Transmission shall be filed with the minutes of the proceedings of the Managers.

- (n) Compensation. Managers shall not receive any salary for their services as Managers or as members of committees, but by resolution of the Board of Managers (i) expenses of attendance may be allowed for attendance by Managers at each meeting and (ii) a fixed fee may be allowed for attendance by independent Managers at each meeting. Nothing herein contained shall be construed to preclude any Manager from serving the Company in any other capacity, as an Officer, agent or otherwise, and receiving compensation thereof.
- (o) Standard of Care. Notwithstanding anything to the contrary herein, (i) each Manager shall owe the same fiduciary duties to the Members that a director of a Delaware corporation owes to the shareholders of such corporation and (ii) each Officer and Authorized Person shall owe the same fiduciary duties to the Members that an officer of a Delaware corporation owes to the shareholders of such corporation.
- (p) Subsidiaries. The Company shall cause LAMCO and each other material Subsidiary to at all times be governed by a board of directors, board of managers or similar governing body. The composition (but not necessarily the individual members) of the board of directors, board of managers and each other governing board or body of each of the Company's Subsidiaries (each, a "Sub Board") shall be the same as that of the Board of Managers and each such Sub Board shall be governed by provisions substantially similar to Sections 7(e) through 7(o).

8. Officers/Authority

- (a) Officers and Authorized Persons. The Board of Managers may employ and retain persons as may be necessary or appropriate for the conduct of the Company's business, including employees and agents who may be designated as (i) officers with titles, including, but not limited to, "chairman," "chief executive officer," "president," "vice president," "treasurer," "secretary," "managing director," "chief financial officer," "assistant treasurer" and "assistant secretary" (each an "Officer") or (ii) authorized persons ("Authorized Persons") as and to the extent authorized by the Board of Managers, which persons may, but are not required to, be Officers. Any two or more offices may be held by the same person.
- (b) Authority. All Authorized Persons and Officers, if any, subject to the provisions of Section 7(c) hereof, shall have such authority and shall perform such duties as may be specified from time to time by the Board of Managers. Unless the Board of Managers resolves otherwise, if the title is one commonly used for officers of a business corporation formed under the Delaware General Corporation Law, the assignment of such title shall constitute the delegation to such person of the authorities and duties that are normally associated with that office except as otherwise provided herein. Subject to the terms herein, the Board of Managers may delegate to any Officer or Authorized Person any of the Board of Managers' powers under this Agreement; *provided* that the power to bind or sign on behalf of the Company may only be delegated by the Board of Managers to Authorized Persons. Any delegation pursuant to this Section 8 may be revoked at any time by

the Board of Managers. Unless authorized by the Board of Managers or expressly permitted by this Agreement, no Officer, Authorized Person, agent or employee shall have any power or authority to bind the Company by any contract or engagement or to pledge its credit or to render it pecuniarily liable for any purpose or to any amount.

- (c) Election. The Officers shall be chosen by the Board of Managers and shall hold the office for the term determined by the Board of Managers, or, if no term is specified, until the time at which their successors are appointed and qualified or their earlier death, incapacity or resignation, *provided* that an Officer or Authorized Person shall immediately cease to hold any and all offices in the Company to which he or she has been appointed without the necessity or acceptance of a resignation or relinquishment in the event that such Officer ceases to be employed by the Company, whether by retirement, termination or otherwise. A vacancy in any office arising from any cause may be filled for the unexpired portion of the term by the Board of Managers.
- (d) Removal. Any Officer or Authorized Person may be removed by the Board of Managers at any time with or without cause.
- (e) Delegation of Power. The Board of Managers may from time to time delegate the powers or duties of any Officer or Authorized Person to any other Officer, Authorized Person or other person whom it may select. The Board of Managers may appoint, employ, or otherwise contract with such other persons or entities for the transaction of the business of the Company or the performance of services for or on behalf of the Company as it shall determine in its sole discretion except as otherwise agreed to in writing by the Company.
- (f) Compensation. Subject to Section 7 hereof, the compensation, if any, of each Officer or Authorized Person shall be such as the Board of Managers may from time to time determine.
- (g) Resignations. Any Officer or Authorized Person may resign at any time by giving written notice or notice by Electronic Transmission to the Board of Managers. Any such resignation shall take effect at the time specified therein or if the time is not specified therein, upon the receipt thereof, irrespective of whether any such resignations shall have been accepted.

9. Capital Accounts

- (a) Capital Accounts. There shall be established and maintained for each Member a separate capital account (“Capital Account”). The initial balance of each Member’s Capital Account shall equal the amount of money and the fair market value of any other property contributed or deemed contributed to the Company by such Member net of liabilities. There shall subsequently be added to the Capital Account of each Member (i) the amount of money and the fair market value of any other property subsequently contributed to the Company by such Member net

of liabilities and (ii) such Member's distributive share of Net Income and any item in the nature of income or gain that is specially allocated to the Member pursuant to Section 11(c). There shall be subtracted from the Capital Account of each Member (x) the amount of any money, and the fair market value of any other property, distributed to such Member net of liabilities and (y) such Member's distributive share of Net Loss and any item in the nature of loss or expense that is specially allocated to such Member pursuant to Section 11(c). The foregoing provision and other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Regulations.

- (b) Interest. No interest shall be payable to any Member by reason of the amount of such Member's capital contribution or Capital Account.
- (c) No Deficit Restoration Obligation. Notwithstanding any other provision of this Agreement to the contrary, at no time during the term of the Company or upon dissolution and liquidation thereof shall a Member with a negative balance in its Capital Account have any obligation to the Company or the other Members to restore such negative balance. In addition, no allocation to any Member of any loss, whether attributable to depreciation or otherwise, shall create any asset of or obligation to the Company, even if such allocation reduces the Capital Account of any Member or creates or increases a deficit in such Capital Account. It is also the intent of the Members that no Member shall be obligated to pay any such amount to or for the account of the Company or any creditor of the Company.
- (d) Transfer of Interest. In the event all or a portion of an interest in the Company is transferred, the transferee shall succeed to the Capital Account of the transferor to the extent that it relates to the transferred interest.

10. Distributions

- (a) All cash and other distributable assets of the Company shall be distributed to the Members in accordance with their respective Percentage Interests. Distributions shall be made at such time, to such extent and in such manner as the Board of Managers shall determine.
- (b) To the extent the Board of Managers reasonably determines that the Company is required by law to withhold or to make tax payments on behalf of or with respect to any Member ("Tax Advances"), the Board of Managers may withhold such amounts and make such tax payments as so required. All Tax Advances made on behalf of a Member shall, at the option of the Board of Managers, (i) be promptly paid to the Company by the Member on whose behalf such Tax Advances were made or (ii) be repaid by reducing the amount of the current or next succeeding distribution or distributions which would otherwise have been made to such Member or, if such distributions are not sufficient for that purpose, by so reducing the proceeds of liquidation otherwise payable to such Member. Whenever the Board of Managers selects option (ii) pursuant to the preceding sentence for

repayment of a Tax Advance by a Member, for all other purposes of this Agreement such Member shall be treated as having received all distributions (whether before or upon liquidation) unreduced by the amount of such Tax Advance. To the fullest extent permitted by law, each Member hereby agrees to indemnify and hold harmless the Company and the other Members from and against any liability (including, without limitation, any liability for taxes, penalties, additions to tax, interest or failure to withhold taxes) with respect to income attributable to or distributions or other payments to such Member.

11. Allocations

- (a) General Application. Except as explicitly provided elsewhere herein, Net Income or Net Loss for a Fiscal Year shall be allocated among the Members in a manner that shall, as nearly as possible, cause the Capital Account balance of each Member at the end of such Fiscal Year to equal the excess (which may be negative) of (i) the distributions that would be made to such Member if the Company were dissolved, its affairs wound up and its assets (including cash) sold for cash equal to their Gross Asset Values, all Company liabilities were satisfied (limited in the case of each Nonrecourse Liability to the Gross Asset Value of the assets securing such liability) and the net assets of the Company were distributed in accordance with Section 10(a) to the Members, minus (ii) the sum of the amount, if any, that such Member would be obligated to contribute to the capital of the Company and such Member's share of Company Minimum Gain and Member Nonrecourse Debt Minimum Gain, computed immediately prior to the hypothetical sale of the assets.
- (b) Loss Limitation. Notwithstanding anything to the contrary in Section 11(a), the amount of items of Company expense and loss allocated pursuant to Section 11(a) to any Member shall not exceed the maximum amount of such items that can be so allocated without causing such Member to have an Adjusted Capital Account Deficit at the end of any Fiscal Year, unless each Member would have an Adjusted Capital Account Deficit. All such items in excess of the limitation set forth in this Section 11(b) shall be allocated first, to Members who would not have an Adjusted Capital Account Deficit, pro rata, in proportion to their Capital Account balances, adjusted as provided in clauses (i) and (ii) of the definition of Adjusted Capital Account Deficit, until no Member would be entitled to any further allocation, and thereafter, to all Members, pro rata, in proportion to their respective Percentage Interests.
- (c) Notwithstanding anything to the contrary contained in this Section 11, the following special allocations shall be made in the following order:
 - (i) *Minimum Gain Chargeback.* If there is a net decrease during a Fiscal Year in either Company Minimum Gain or Member Nonrecourse Debt Minimum Gain, then notwithstanding any other provision of this Section 11, each Member shall receive such

special allocations of items of Company income and gain as are required in order to conform to Regulations Section 1.704-2.

- (ii) *Qualified Income Offset.* Subject to Section 11(c)(i) hereof, but notwithstanding any other provision of this Section 11, items of income and gain shall be specially allocated to the Members in a manner that complies with the “qualified income offset” requirement of Regulations Section 1.704-1(b)(2)(ii)(d)(3).
- (iii) *Deficit Capital Accounts Generally.* If a Member has a deficit Capital Account balance at the end of any Fiscal Year which is in excess of the sum of (i) the amount such Member is then obligated to restore pursuant to this Agreement, and (ii) the amount such Member is then deemed to be obligated to restore pursuant to the penultimate sentences of Regulations Sections 1.704-2(g)(1) and 1.704-2(i)(5), respectively, such Member shall be specially allocated items of Company income and gain (consisting of a pro rata portion of each item of income and gain of the Company for such Fiscal Year in accordance with Regulations Section 1.704-1(b)(2)(ii)(d)) in the amount of such excess as quickly as possible, provided that any allocation under this Section 11(c)(iii) shall be made only if and to the extent that a Member would have a deficit Capital Account balance in excess of such sum after all allocations provided for in this Section 11 have been tentatively made as if this Section 11(c)(iii) were not in this Agreement.
- (iv) *Deductions Attributable to Company Nonrecourse Debt.* Member Nonrecourse Deductions shall be specially allocated to the Members in the manner in which they share the economic risk of loss (as defined in Regulations Section 1.752-2) for such Member Nonrecourse Debt.
- (v) *Allocation of Nonrecourse Deductions.* Nonrecourse Deductions of the Company shall be specially allocated to the Members pro rata in proportion to their respective Percentage Interests.

The amounts of any Company income, gain, loss or deduction available to be specially allocated pursuant to this Section 11(c) shall be determined by applying rules analogous to those set forth in subparagraphs (i) through (v) of the definition of Net Income and Net Loss.

- (d) Transfer of Interest. In the event of a transfer of all or part of an interest in the Company or the admission of an additional Member pursuant to Section 2 at any time other than the end of a Fiscal Year, the shares of items of Net Income or Net Loss and specially allocated items allocable to the interest transferred shall be allocated between the transferor and the transferee (or among the existing Members and the additional Member) in a manner determined by the Board of

Managers in its sole discretion that is not inconsistent with the applicable provisions of the Code and Regulations.

(e) Tax Allocations.

- (i) *Sections 704(b) and 704(c) Allocations.* Each item of income, gain, loss, deduction or credit for federal income tax purposes that corresponds to an item of income, gain, loss or expense that is either taken into account in computing Net Income or Net Loss or is specially allocated pursuant to Section 11(c) (a “*Book Item*”) shall be allocated among the Members in the same proportion as the corresponding Book Item; *provided, however*, that in the case of any Company asset the Gross Asset Value of which differs from its adjusted tax basis for federal income tax purposes, income, gain, loss and deduction with respect to such asset shall be allocated solely for federal income tax purposes in accordance with the principles of Sections 704(b) and (c) of the Code (using any permissible method determined by the Board of Managers) so as to take account of the difference between the Gross Asset Value and the adjusted tax basis of such asset.
- (ii) *Credits.* All tax credits shall be allocated among the Members as determined by the Board of Managers in its sole and absolute discretion, consistent with applicable law.

The tax allocations made pursuant to this Section 11(e) shall be solely for tax purposes and shall not affect any Member’s Capital Account or share of non-tax allocations or distributions under this Agreement.

12. Dissolution

- (a) The Company shall be dissolved, wound up and terminated as provided herein upon the first to occur of the following:
 - (i) a decree of dissolution of the Court of Chancery of the State of Delaware pursuant to Section 18-802 of the LLC Act; or
 - (ii) the determination of all of the Members to dissolve the Company.

Except as expressly provided herein or as otherwise required by Delaware law, the Members shall have no power to dissolve the Company.

- (b) In the event of the dissolution of the Company for any reason, the Board of Managers or a liquidating agent or committee appointed by the Board of Managers shall act as a liquidating agent (the Board of Managers or such liquidating agent or committee, in such capacity, is hereinafter referred to as the “Liquidator”), and shall commence to wind up the affairs of the Company and to liquidate the Company assets. The Members shall continue to share all income, losses and distributions during the period of liquidation in accordance with this

Agreement. The Liquidator shall have full right and unlimited discretion to determine the time, manner and terms of any sale or sales of Company assets pursuant to such liquidation, giving due regard to the activity and condition of the relevant market and general financial and economic conditions.

- (c) The Liquidator shall have all of the rights and powers with respect to the assets and liabilities of the Company in connection with the liquidation and termination of the Company that the Board of Managers would have with respect to the assets and liabilities of the Company during the term of the Company, and the Liquidator is hereby expressly authorized and empowered to execute any and all documents necessary or desirable to effectuate the liquidation and termination of the Company and the transfer of any Company assets.
- (d) Notwithstanding the foregoing, a Liquidator which is not a Member shall not be deemed a Member and shall not have any of the economic interests in the Company of a Member; and such Liquidator shall be compensated for its services to the Company at normal, customary and competitive rates for its services to the Company, as reasonably determined by the Board of Managers.
- (e) Upon liquidation of the Company, the Company's assets shall be applied in the following order of priority:
 - (i) first, to pay the costs and expenses of the winding up, liquidation and termination of the Company;
 - (ii) second, to creditors of the Company, including Members who are creditors to the extent permitted by law, in the order of priority provided by law, including fees, indemnification payments and reimbursements payable to the Members or their Affiliates, but not including those liabilities for distributions to the Members in their capacity as Members under Section 18-601 or 18-604 of the LLC Act;
 - (iii) third, to establish reserves reasonably adequate to meet any and all contingent, conditional, unmatured or unforeseen liabilities or obligations of the Company; provided, however, that at the expiration of such period of time as the Liquidator may deem advisable, the balance of such reserves remaining after the payment of such contingencies or liabilities shall be distributed as hereinafter provided;
 - (iv) fourth, to the extent (without duplication) not permitted under clause (a) above, to the Members in satisfaction of liabilities or obligations of the Company to the Members; and
 - (v) fifth, the remainder to the Members in proportion to their respective Percentage Interests.

If the Liquidator, in its sole discretion, determines that Company assets other than cash are to be distributed, then the Liquidator shall cause the fair market value of

the assets not so liquidated to be determined. Such assets shall be retained or distributed by the Liquidator as follows:

- (A) The Liquidator shall retain assets having a value, net of any liability related thereto, equal to the amount by which the net proceeds of liquidated assets are insufficient to satisfy the requirements of subparagraphs (i), (ii), (iii) and (iv) of this subparagraph (e); and;
- (B) The remaining assets shall be distributed to the Members in the manner specified in subparagraphs (iv) and (v) of this subparagraph (e).

13. Liability

The debts, obligations and liabilities of the Company, whether arising in contract, tort or otherwise, shall be solely the debts, obligations and liabilities of the Company, and no Indemnatee shall be obligated personally for any such debt, obligation or liability of the Company solely by reason of being an Indemnatee. The personal liability of any Indemnatee is eliminated or limited to the fullest extent permitted under the LLC Act, and no Indemnatee shall have any liability to the Company except as expressly required by the LLC Act; *provided, however*, that nothing contained herein shall protect any Indemnatee against any liability to the Company or the Members to which such Indemnatee would otherwise be subject by reason of any act or omission of such Indemnatee that involves actual bad faith, fraud or willful misconduct and, in the case of current or former Officers, employees and members of the Board of Managers, gross negligence. The Indemnatee shall be protected against any liability for a breach of Section 7(o) except to the extent protection from such liability would not be permitted under Delaware law with respect to an officer or director of a Delaware corporation.

14. Indemnification; Insurance

- (a) The Company, to the extent and in a manner permitted by Delaware law as in effect from time to time, shall indemnify any Indemnatee (including the heirs, executors, administrators or estate of any, such Indemnatee) who was or is made a party to or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (including any appeal thereof), whether civil, criminal, administrative, regulatory or investigative in nature, (other than an action or suit by or in the right of the corporation to procure a judgment in its favor) by reason of the fact that such person is or was an Indemnatee, or is or was serving at the request of the Company as a manager, officer, authorized signatory, director, shareholder, member, partner, trustee, fiduciary, employee or agent (a “Subsidiary Officer”) of another corporation, limited liability company, partnership, joint venture, trust, employee or agent of another corporation, limited liability company, partnership, joint venture, trust, employee benefit plan or other enterprise (an “Associated Entity”), against expenses (including attorneys’ fees and disbursements), costs, judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred (“Losses”) by such Indemnatee in

connection with, and shall advance expenses incurred by such person in advance of the final disposition of, such action, suit or proceeding, unless it is proven in a court with appropriate jurisdiction in a final, non-appealable judgment that such Indemnitee is liable in respect of the Losses referred to in this subparagraph and such Indemnitee's conduct constituted bad faith, fraud or willful misconduct and, in the case of current or former Officers, employees and members of the Board of Managers, gross negligence. The Company shall indemnify any Indemnitee (including the heirs, executors, administrators or estate of any such Indemnitee) for a breach of Section 7(o) except to the extent such indemnification would not be permitted under Delaware law with respect to an officer or director of a Delaware corporation.

- (b) Any Manager, Officer, Authorized Person, employee or agent of the Company, or person who is or was serving at the request of the Company as a Subsidiary Officer of any Associated Entity, shall be covered by the insurance of LBHI against any liability asserted against such person and incurred by such person in any capacity, or arising out of such person's status as such, whether or not the Company would have the power to indemnify such person against such liability under the provisions of this Section or applicable law.

15. Fiscal Year

The fiscal year of the Company (the "Fiscal Year") shall be the calendar year, except that if the Company is required by the Code to use a taxable year other than a calendar year, then the Fiscal Year shall be such taxable year.

16. Accounting; Tax Matters

- (a) Tax Matters.
 - (i) For any tax period during which the Company has only one Member, it is the intention of the Member that the Company be treated, wherever permitted, as disregarded as an entity separate from, or otherwise treated as a division of, such sole Member for federal, state, local and foreign income tax purposes.
